# Hand-Drawn Mandalas Coloring Book, Volume Two: An Adult Coloring Book For Stress-Relief, Relaxation, Meditation And Creativity (Jenean Morrison Adult Coloring Books)

## Synopsis

Calming, creative and complex, Jenean Morrison's Hand-Drawn Mandalas Coloring Books are a fantastic way to destress, decompress, or just make some beautiful images. Each of the 30 mandala designs was hand-drawn by Jenean and features an organic quality in both shape and line weights. The spaces within these designs are a bit larger than in Jenean's other books so you can use your creativity to fill them up with solids, dots and your own colorful designs! This series contains images printed on the fronts of pages only (so you don't need to worry about bleed-through if you choose to use markers) and comes in a square 8.5" x 8.5" format. As always, Jenean hopes you enjoy coloring this book as much as she enjoyed creating the designs!

## Customer Reviews

A homebody who loves to travel, and a playful spirit who loves to work, Jenean Morrison lives in Memphis, Tennessee. She is a painter and designer. Her designs have been licensed by folks like Free Spirit Fabrics, Nuvango, Sigg, and Murals Your Way. Her paintings can be found in private and public collections, as well as Las Vegas casinos and resorts including the Mirage, the Bellagio and the Aria.

So excited to get these, I ordered both of the new mandalas books! I love how portable they are and the pages are one sided and great for coloring with markers. These are my new go-to books for

coloring therapy! I love filling in the sections with lines and dots, alternating solid sections with patterns. I think I might be turning into a collector!

I am pretty sure I own all the coloring books by Jenean Morrison. I have 3 flower design books and the 3 mandalas. They are totally amazing and I'd order every single one all over again to just recolor. I can't even count the amount of hours I've spent coloring in these. It's been months since I bought the first book and haven't slowed down at all, plus had to have the rest!

I use to love to color when I was a child, found these awesome adult coloring books... very relaxing. I put on some music or have a movie playing in the background and lose myself to the Mandalas... awesome designs, the possibilities are endless.

All the pages are so similar it feels like you're coloring the same page over and over.

I can't buy anything like this local. Happy for the on-line purchase

Not a favorite.

Love this book.

The mandalas are nice but they all kind of look the same. There doesn't seem to be a lot of variety. The book is also smaller than I expected. But I am looking forward to coloring these.
