The Collected Short Stories Of Louis L'Amour, Volume 7: Frontier Stories

Synopsis

There is no story more distinctly American than the western and no writer as great a master of the form as Louis L'Amour. In this final paperback volume of L'Amour's collected short fiction, you'll find some of his most popular characters, heroes who have become a part of our cultural legacy, as well as the ordinary people who embody not only the spirit of the West but the timeless struggle of the best and worst in us all. Here are tales of honest thieves and crooked lawmen, of dream chasers and treasure hunters, of men and women hoping for a second chance and others down to their last. Throughout, L'Amour demonstrates the unerring touch for detail and keen insight into human nature that lend these stories the power to thrill, surprise, and entertain readers of every generation.

Customer Reviews

"L'Amour never writes with less than a saddle creak in his sentences and more often with a desert heatwave boiling up from a sunbaked paragraph. A master storyteller.... for reading under the stars."--"Kirkus Reviews"
"The stories reflect the author's own youthful wanderings.... No L'Amour fan will want to miss this collection."--"Publishers Weekly"
"The stories reflect the author's own youthful wanderings.... No L'Amour fan will want to miss this collection." -- "Publishers Weekly" --This text refers to the Hardcover edition.

With more than 120 titles still in print, Louis L'Amour is recognized the world over as one of the most

prolific and popular American authors in history. Though he met with phenomenal success in every genre he tried, the form that put him on the map was the short story. Now this great writer - who "The Wall Street Journal recently compared with Jack London and Robert Louis Stevenson - will receive his due as a great storyteller. This volume kicks off a series that will, when complete, anthologize all of L'Amour's short fiction, volume by handsome volume. Here, in Volume Two, is a treasure-trove of 35 frontier tales for his millions of fans and for those who have yet to discover L'Amour's thrilling prose - and his vital role in capturing the spirit of the Old West for generations to come. --This text refers to the Hardcover edition.

Good writing - vivid description of the old Western scene. I am an octogenarian and have been reading Westerns from my teen years and L'Amour still keeps me glued to his stories The Stories are of reasonable length and the language makes for easy reading. If you are a Western buff , then L'Amour's expertly takes you into the canyons and and bluffs, beside the cool creeks and the dusty trails. Relax and ride your mustang under the Western sun.

I wish we had some contemporary writers like Louis.

Good collection of Louis L'Amour stories.

GOOD BOOK

Enjoy all L'Amour books.

good

I have read all of L'Amours Sackett novels and I'm reading his other novels now, but sometime, I just want to read a short store. I hop, skip and jump around his books. I only found one that was just all right, but most of them are great.

Louis L'Amour is my favorite Western story writer. This book completes my collection of his short stories, which are very enjoyable. L'Amour really knew how to keep the reader involved with his stories.
