Customer Reviews

Franko Maps Ltd. is known for producing the best travel, dive and snorkel maps, guides and fish cards for the Caribbean and other locations worldwide.

Lots of fish listed on the card and I liked the map on the reverse side. We found this very helpful on our trip to Bimini in identifying what we were seeing while snorkeling.

Perfect dive card for your dive log. When it comes to logging dives after a long day in the water, these cards make it easy to locate the dive sites you visited.
