Just as good as ever

Dwight is still angry with Rick over the death of Sherry. Rick is still mourning the loss of Andrea. Will their grief keep them strong or tear them all apart? This issue was pretty solid. Not much in the way of action, but there is a lot of transitioning going on. The tension between Rick and Dwight is escalating and Maggie is out for blood where Negan is concerned. Honestly not sure who would win in either match up but it is definitely getting interesting. The biggest story in this arc however is the Ohio group. We are about to meet them and I can't wait to see who exactly they are. Should make for a very exciting next issue.

I found this issue interesting because of a few reasons. It's about time we see what this Ohio group is about. I'm really looking forward to their debut. I don't know if I can trust them because it's almost

time for another bad guy to enter the story. Speaking of bad guys, the dynamic between Maggie and Negan cannot end well. I can easily see her killing him or getting Dante to do it out of pure hatred for the man. Also the tension between Rick and Dwight was interesting. Rick is reaching a boiling point and I honestly don't know how long he has left in this series. I can't wait for next month's issue.
