Customer Reviews

Richard Baxter(1615-1691) was a prominent English churchman of the 1600s. He was a peacemaker who sought unity among Protestants, and yet he was a highly independent thinker and at the center of every major controversy in England during his lifetime. Born in Rowton to parents who undervalued education, Baxter was largely self-taught. He eventually studied at a free school, then at royal court, where he became disgusted at what he saw as frivolity. He left to study divinity, and at age 23, he was ordained into the Church of England. Within the Anglican church, Baxter found common ground with the Puritans, a growing faction who opposed the church's episcopacy and was itself breaking into factions. Baxter, for his part, did his best to avoid the disputes between Anglicans, Presbyterians, Congregationalists, and other denominations, even convincing local ministers to cooperate in some pastoral matters. Among his more than 200 works are long,

controversial discourses on doctrine. Still, he believed society was a large family under a loving father, and in his theology, he tried to cut between the extremes. Baxter also found himself as a peacemaker during the English Civil Wars. He believed in monarchy, but a limited one. He served as a chaplain for the parliamentary army, but then helped to bring about the restoration of the king. Yet as a moderate, Baxter found himself the target of both extremes. He was still irritated with the episcopacy in 1660, when he was offered the bishopric of Hereford, so he declined it. As a result, he was barred from ecclesiastical office and not permitted to return to Kidderminster, nor was he allowed to preach. Between 1662 and 1688 (when James II was overthrown), he was persecuted and was imprisoned for 18 months, and he was forced to sell two extensive libraries. Still, he continued to preach: "I preached as never sure to preach again," and he wrote, "and as a dying man to dying men." Baxter became even better known for his prolific writing. His devotional classic *The Saints' Everlasting Rest* was one of the most widely read books of the century. When asked what deviations should be permitted from the Anglican Book of Common Prayer, he created an entirely new one, called *Reformed Liturgy*, in two weeks. His *Christian Directory* contains over one million words. His autobiography and his pastoral guide, *The Reformed Pastor*, are still widely read today.

Classic, should be read by every pastor and would be pastor.

This has been one of the most eye opening books I have had the pleasure of reading! Every would be Pastor needs this as one person told me OPEN of his or her desk! Baxter tells you bluntly what the life of a Pastor will be like, and it is a far cry from the coddled life many enjoy in the Western World! If you really have a heart for the ministry of Jesus Christ then you will love this book

Amazing book, really convicting and makes you think a lot. I would highly recommend it to anyone who is currently in ministry or is wanting to be in ministry. Definitely a must read!

I Long for more preachers like this man to work for God's vine. This book really convicts me, and further than that, it even condemns me. But at the same time i see the working grace of God. Lets be diligent in this work through the Spirit! This publication though is full of typos though. but the book itself should be read by every minister!

This book is a must read for all who are called to lead others in the church. Richard Baxtor puts it plainly and simply calling sin in the pulpit what it is

Great book for being a Christian pastor or even a leader.

Richard Baxter's comments to his contemporaries reverberate with a wisdom and godliness that make them a blessing to us in ministry today. This book is well worth the read.

Baxter writes with amazing godly pastoral exhortation. A must read for all! Praise the Lord for this man!
