Summer According To Humphrey

Synopsis

When Humphrey hears that school is ending, he can't believe his ears. What's a classroom hamster to do if there's no more school? It turns out that Mrs. Brisbane has planned something thrilling for Humphrey and Og the frog: they're going to Camp Happy Hollow with Ms. Mac and lots of the kids from Room 26! Camp is full of FUN-FUN-FUN new experiences, but it's also a little scary. There are fur-raising wild sounds and smells, and there's something called the Howler to watch out for. Humphrey is always curious about new adventures, but could camp be too wild even for him?

"Humphrey is a witty, fun, and lovable character with great kid appeal." -School Library Journal

Betty G. Birney has won many awards for writing for television, including an Emmy, three Humanitas Prizes, and a Writers Guild of America Award, and she won the Christopher Award for Friendship According to Humphrey. In addition to the Humphrey series, she is the author of The Seven Wonders of Sassafrass Springs and The Princess and the Peabody's. She grew up in St. Louis, Missouri, where her parents grew up as neighbors on Humphrey Street. Her

website, bettybirney.com, is full of fun Humphrey activities and information.

I liked this book a lot. My favorite part was when SPOILER ALERT!! Og got lost but Humphrey and his new friends found him. Love the change of scenery because instead of being at school it's at a camp.                         

All Humphrey are great read for my Granddaughter. She loves them all.

Love

Reads well . Great book . My daughter would have liked at least a few pictures as the story went on .

Shipped well with no damage

I adore Birney's Humphrey Hamster books. I own hamsters and have had hamsters and gerbils for over 50 years. I find these books adorable and I think these would be great for young readers. They have nice story content and delightful characters.

I have read all of the Humphrey books to my daughter, and we have both loved every one of them. We're over halfway done with this one, and neither my daughter nor I like it nearly as well as the others. This story has been rather boring, because nothing much has happened. It's just the same thing day after day. I highly recommend all of the other Humphrey books, but you should pass on buying this one. Use your library card instead.

We love Humphrey. He has such a great attitude and is full of wisdom in a way that kids can understand. We are a homeschool family and we have been reading Humphrey books all year! Now my kids want to get a classroom hamster and name him Humphrey!
