Savannah Travel Guide : Miss Passport City Guides Presents Mini 3 Day Unforgettable Vacation Itinerary To Savannah Georgia (3-Day Budget Itinerary Part ... (Miss Passport Travel Guides Book 21)

Synopsis

Miss Passport mini three-day unforgettable vacation itinerary (savanna Georgia) Finally Revealed.. The Amazing insider Secrets of Three-day unforgettable vacation to savanna Georgia. Today only, get this bestseller for just \$9.99. Regularly priced at \$14.99. Read on your PC, Mac, smart phone, tablet or Kindle device. Here Is A Preview Of What You'll Learn... Savanna Georgia is one of the greatest cities North America has to offer is filled with quintessential Southern charm. Warm and friendly people and some of the best Southern comfort food you are likely to find anywhere on the planet. The baby back ribs and shrimp and grits are so good that if you placed your place. On top of your head your tongue would beat your brains out trying to reach it! (Although fair warning, if you are on any sort of diet you will probably have to cheat as George's form of Southern cooking. Like most others is not low in cholesterol and fat). Savanna Georgia has been at the forefront of American history since the earliest days. During colonial times it was one of the most magnificent ports. Under the control of the British Empire and used to ship goods such as timber cotton and molasses and tobacco back to the mother country. In exchange for items such as tea, rum, fruit and textiles, and even goods such as playing cards and dice and once America had achieved independence in 1776. Georgia was on the forefront of politics in the new Republic and led the charge for secession during the Civil War. Some of the greatest battles of the war were fought on savannas doorstep, as well as other areas of Georgia and in the 1960s. Savanna was again at the forefront of American politics with the civil rights movement. Savanna was a staging point for many civil rights marches, sit in protests, speeches and other equal rights activities. Aside from its political and historical significance savanna Georgia has many homes and other historical buildings that are excellent examples of early colonial and turn-of-the-century architecture, which make for very picturesque scenery, on romantic evening strolls. Savanna is also jam packed with excellent boutique stores and antique shops and rare book dealers, which means on your adventure. You will have plenty of chances to discover that must have treasure to take home as a memento of your unforgettable vacation. If food and historic architecture and political history aren't enough to satisfy your traveler's spirit, then you just might be interested in savannas music scene. There are many clubs and bars with a musical array ranging from jazz to blues and country. And you will be able to find an atmosphere to suit your taste, from very quiet and intimate to a rip roaring party which of course will depend on your mode. Customer Reviews

This is a pretty handy little travel to, even for being as small as it is. It is filled with information about savanna Georgia. That would be necessary for a stay, such as hotel and restaurant contact information, as well as interesting little tidbits about the history of Georgia and other interesting little facts that a traveler might want to know while visiting the city. However, this itinerary is designed on a minimalist travel approach, meaning that it is set up for three days, starting with the day you arrive, so it assumes you will hit the ground running. Rather than take a day to decompress the

itinerary lists out an attraction for each day as well as suggested restaurants and bars for each meal. This travel guide may need to be supplemented within other more robust traveler's handbook, but for the price. If you are just looking to get some very basic information about savanna Georgia, Miss Passport travel guides, can't be beat.

This book is the first in a two part series. The city of Savannah Georgia is in the heart of the south and contains all of that southern charm that we've come to expect from such a location. It's more than that though. Miss Passport takes you through Savannah's rich history to the heart of her culture. I had the opportunity to visit Savannah some years ago with my girls Girl Scout troop and I wish we could have seen more than what we did. There are several excellent hotel suggestions that won't break the bank or your back from uncomfortable beds. The itinerary here is just a taste of Savannah. I'd recommend getting part II if you're planning a trip for the most complete picture.

In "Miss Passport mini three day unforgettable vacation itinerary (Savanna Georgia travel Guide Part I)", Ms Sharon Bell takes her readers to Savannah in Georgia, the United States of America (USA). In this publication, Ms Bell advises readers how to spend a three-day holiday in Savannah. She writes about Savannah's history from colonial to modern times. She informs readers about the many facets of life in Savannah. Some of these facets pertain to different modes of transport, hotel accommodation, special events and activities to be undertaken by Savannah's visitors.

This guide is very general, as a huge Savannah fan, I was hoping for some insight to places I had not, and I got none. There is no mention of some of Savannah's most popular sights. I expected better from a travel guide expert. Don't waste your money on this one, you can do better with a free walking tour map when you get to Savannah.

In this quick guide, you learn about where you should go if you're going to visit Savannah. It's a fast read that will craft your unforgettable vacation.

If this the first time you are travelling to Savannah and you want to know about the city but you just can't find the right book that will give you the required information but will not

overload you with it, the Miss Passport's mini guide book for Savannah is the book for you. Containing minimal information, this book will tell you about the places you must visit and the food joints that you can try while you are staying. Designed as a three day itinerary it just gives you an idea on how to plan your vacation. It also contains facts about the history of the city to make it more interesting for you.

Many people are attracted to Savannah Georgia because of the comfort it has to offer. It is a beautiful piece of land with the ring of southern charm that makes it even more interesting. It has rich history and many beautiful places to visit because of which you may get confused as to where you want to start. Miss passport city guide will guide you in the appropriate manner by giving you details about the various attractions the city has so that you can make up your mind as to which sight you want to visit first. This will also ensure that you get full flavor of the city without missing on anything.

I hadn't known much about Savannah before reading the guide but now I really want to visit. It seems like a very cultural place with a lot going on in the artistic areas, with plenty of music and theatre performances too. There are also a lot of hotels listed with their websites and phone numbers which means I can jump straight to a website to find out about their prices and room availability. After that it talks about planning a three day trip and again it's all nicely laid out with a good structure, and all the things the author suggests seem like great things to experience.
