Customer Reviews

Needs practice questions. Book covers a lot of material, practice questions at the end could stimulate learning and give students cues as to what areas they need work in/ what areas to revisit.

good buy and cheap. it arrived quickly

great price, earned a BSN with cheaper books from !!!! Thank you.

It's not the book...me and the class did not need to open the book except for the midterm.

It really helped out with therapeutic communication as a student nurse.

I bought the book for a nursing class. The book is in good condition. The book really helped me out during one of my nursing public health classes.

Great Book! I didn't need it very much though.

did not have any problems
