The Life And Prayers Of Saint Michael The Archangel

Synopsis

One part biography, one part prayer book, *The Life and Prayers of Saint Michael the Archangel* is an essential book for any Christian. Saint Michael is the Defender of the Faith and of our Church. As Christians we pray each day that he stands with us through this life and beyond. Saint Michael the Archangel is the most revered archangel within the Church throughout history and today but his pre-eminence transcends the history of the Christian Church. Saint Michael's role extends far beyond the war with the enemy here on Earth; it embraces every single member of the Church. His venerated name is invoked on a daily basis for protection, for healing, for consolation and by the dying as they make their final journey to God's Eternal Kingdom, seeking to avoid the desolation of Purgatory.

Customer Reviews

Saint Michael is the Defender of the Faith and of our Church. I recite, daily, the prayer to Saint Michael, the Archangel. "The Life and Prayers of Saint Michael the Archangel," Wyatt North brings a

humanistic touch to the mysticism of the Heavenly battle between our God's hosts of angels and the fallen angels, with a focused explanation of what they are and where the origin of the most famous name of all the Angels came to be. That triumphant battle is just a beginning of St. Michael's relationship with us. The archangel has been by God's side since the beginning and has led our protection and will lead us safely to God, all the way through the final Judgment Day. This book tells the story of how, what, and why for our protector on the final journey to God's Eternal Kingdom.

This book provides the reader a great deal of information about St. Michael and all the areas that we can ask for his protection. Well written and very enlightening.

This is the fourth book in the "The Life and Prayers of..." series and as expected, this one is fantastic. The first half discusses the life and the second half contains prayers. Whether you have a deep devotion to Saint Michael already or wish to learn more about this saint, you will not be disappointed. Thank you, Wyatt North, for each of the books in this series and please keep them coming!

A helpful insight into how the Catholic Church views Michael and his role before God to the people of the one, true God. I particularly appreciate the discussion of Michael's role in spiritual warfare throughout the history of God's people

I recommend Wyatt North for a good read, short concise book about any Catholic subjects he publishes. Have never been disappointed.

This was purchased as a gift and the recipient liked it.

A must read for all Catholics. I learned about the Angels in a beautiful, eye opening way that I never knew existed. St. Michael is an important part of our salvation and should be remembered in prayer everyday. This book beautifully gives you the background on St. Michael in scripture and the prayers to strengthen us through his intercession. I loved this book.

St Michael is the protector of us all, any religion may use him and pray to Him. This book is Catholic but it does describe the story of the Archangel Michael who fought and won against the devil. The book has some beautiful prayers in it which I will use for protection and safety. The angels are

nondenominational, all you must do is ask for their help. And don't forget to say thanks.
