# Paying The Price: Ignacio Ellacuria And The Murdered Jesuits Of El Salvador

## Synopsis

Ignacio Ellacuria was a key, although controversial, figure in Salvadoran public life. This book offers a history of the Church in El Salvador, an analysis of Ellacuria's philosophy and theology, an introduction to liberation theology, and an account of the critical importance of the University of Central America.

## Customer Reviews

"This is a brilliant and authoritative telling of one of our time's compelling dramas, the interplay of religion and politics in El Salvador over the last decades-sophisticated, complex and an absolute page-turner." —Tom Quigley, United States Catholic Conference  
"More than an account of the most horrifying events in the litany of human rights violations in the history of El Salvador, this book is an acute analysis of the political and military context in which it happened. Few books about El Salvador have dug as deep into the entrails of the Salvadoran reality, nor reflected as much access to major actors on all sides. Whitfield does not accept facile explanations, nor present the Jesuits as unidimensional. What she does do is demonstrate the impact of a few individuals who spoke out for justice in the face of massive inequalities and repeated threats. Ultimately their deaths contributed to an end to war in El Salvador and reinvigorated the struggle for basic human rights they held so dear." —Margaret E. Crahan, Henry R. Luce Professor of Religion, Power and the Political Process, Occidental College  
"This eloquent, masterful book evokes the causes and

consequences of the heartless murders of six Jesuit priests and two women in El Salvador. I know of no other work which so richly or perceptively combines recent political history, theology, and biography to explain who the Jesuits were and why the armed forces set out coolly to eliminate them. The portrait of U.S. policy as it sought to protect the military is as riveting as it is disturbing."  
— Cynthia J. Arnson, Associate Director, Human Rights Watch/Americas

An investigation of one of the most tragic and divisive events in Latin American history --This text refers to an out of print or unavailable edition of this title.

I took religion 401 and made a paper review of this book, it was very interesting and shocking to find out about the murders that took place in El Salvador.

Sad book
