Frommer's EasyGuide To Iceland (Easy Guides)

Synopsis

Guidebooks to Iceland are currently on every list of guidebook best-sellers, and will now be joined by a powerful new entrant written by an acknowledged and heavily-published expert on the subject. He is Nicholas Gill, an outstanding journalist, whose writings on Iceland have been prominently featured in The New York Times, The Wall Street Journal, the Los Angeles Times, Food & Wine magazine, and many other notable publications. His subject, the nation located just south of the Arctic circle but warmed by the Gulf Stream (and thus moderate in climate), is increasingly regarded as a place of multiple attractions that extend far beyond Reykjavik to nearly a dozen other towns, and to breathtaking nature including swimmable thermal springs.

Book Information

Series: Easy Guides

Paperback: 352 pages

Publisher: FrommerMedia; Fol Pap/Ma edition (December 8, 2015)

Average Customer Review: 4.2 out of 5 stars 63 customer reviews

Best Sellers Rank: #42,422 in Books (See Top 100 in Books) #9 in [Books > Travel > Europe > Iceland](#)

Customer Reviews

Writer and photographer Nicholas Gill is based in Lima, Peru and Brooklyn, New York. He travels extensively throughout Latin America and his work appears in publications such as the New York Times, Wall Street Journal, Bon Appétit, Draft, Saveur, New York Magazine, and Roads & Kingdoms.

Because it is so recent, this is a really perfect book to get for your trip to Iceland. I went in the winter, and this told me things that were absolutely vital to my staying there. Little cultural things, as well as newer attractions that have only opened up in the past few years. It was my indispensable guide, and I'm giving it to some friends who are going in a few months. Better than anything else out there because of how recent it is. Great map included, too.

Outstanding book! Just at first glance I was already finding things to add to the itinerary. It has a removable map in the back, very simple & easy to follow. Lots of great general information. A must have before heading to Iceland. I wish I had purchased this a couple of months ago!

This is a remarkable guide to Iceland for several reasons. My family and I used it extensively on our recent trip to Iceland. The information it contains is excellent, accurate, well organized, easy to use, and up to date. It more than fulfills the role of a superb travel guide. But its merits do not end there. It is also hilarious reading in itself. The author clearly has a sense of humor and manages to combine information, affection, admiration, and humor in creating the write-ups of the various locations. This is a rare travel guide in being fun to read as well as useful.

Great book that really helped us plan our Iceland trip. They have all the biggest attractions listed in the book as well as decent routes to hit them all. We used this in conjunction with our own planning to get the most out of our days in Iceland and we had a WONDERFUL time. The pullout map in the back is a big plus! A map will run you a few dollars anyway, might as well pay a bit more and get all the information you could ever need on Iceland.

Read this before going on vacation so I was an expert on all there was to see and do.

Great book. Taking it with us when we go!

Planning a group trip to Iceland. Lots of good information

Good book but it doesn't provide you with things to see in each city. The Lonely Planet Iceland Guide was way better.
