Haunted Louisville

Synopsis

Meet the Ghosts of Downtown Louisville Face-to-Face! Louisville, Kentucky has long been regarded as one of the most haunted cities in America with dark tales of haunted theaters, hospitals, hotels and crumbling mansions. For the first time, Robert Parker, creator of the Louisville Ghost Walks, brings many of those stories to life in the pages of this chilling book. In his first volume of strange stories, the author enthralls the reader with stories that have never appeared in print before, including tales from haunted corridors of the Brown Hotel, the decks of the famed Belle of Louisville, the upper floors of the Brennan House, the confines of the Palace Theater, the former cells of the Old City Jail and many other spots! Want to know why Louisville has gained such a reputation for being haunted? Then look no further than the pages of "Haunted Louisville". This is a must-have book for every ghost hunter, no matter what part of the country they are from!

Book Information

Paperback: 108 pages

Customer Reviews

Having lived in Louisville for the majority of my life, I know of the spots talked about in this book. It is a great read.. I have heard some of these stories for years. First time, I have seen them in one collection. Have never taken a tour with Mr Parker, but think it would be a fun thing to do.

I bought this book as an afterthought but when I started reading it is very entertaining. The Author gives ghost walks in the Louisville area and tells anecdotes about his experiences and others on the walks. He also gives some history about the buildings but not so much as to become boring. The stories are fairly short and easy to read. I intend to get his first book also.

Since I am a Louisville native and resident, I found this book quite interesting. I can't wait to read more of Robert's books.

I mainly got this book because it was highly recommended from a waverly hills website but had nothing to do with waverly hills so I was a lil disappointed.

As a fan of Louisville haunts myself, I find Mr. Parker's book to be an exciting and influential read. It is a great book to read any time of the year, but it's perfect around Halloween time. Robert Parker also hosts the Louisville Ghost Walks, which is a wonderful tour of some of Downtown Louisville's most historic spots.
