Customer Reviews

The recipes I've tried so far taste much like I remember from our family dinners, Dutch/Indo socials and pot luck gatherings. The tastes and aromas are heavenly and inspire me to want to try more. I am pleased so far.

a very good book, with lots of explanation especially good for people that are not too familiar with the Indonesian cuisine. I cook a lot of Indonesian cuisine, I was born on one of the islands, and my grandmother is Indonesian, so I can give this book a good rating

Nice introduction into Indonesian food along with recipes.

Great cookbook! Excellent quality, beautiful contents. The information is beneficial and covers a lot. The recipes' difficulty levels are simple to moderate and representative of Indonesian cuisine in general.

Product is exactly how its described. No surprises :) Would purchase again !

bought this book as a gift to a friend who lives away from Indonesia but would love to have more easy-to-follow recipes. he loved the book!

I love this cookbook especially because of the beautiful glossy photos of every recipe throughout the book which makes it perfect for inexperienced cooks.

The illustrations were well done and very colorful. The book seemed very nice and sturdy in my hand but that does nothing to describe what is inside.
