Customer Reviews

Beautifully written and easy to understand book! I have been attending a Catholic Church just to go with my husband and be in a house of God on Sundays, but I was baptized Presbyterian. The priest there, after 10 years, has been after me to convert to catholic but I feel it is just too rigid for my beliefs and wanted to brush up on the differences. This has been a big help and I intend to stay Presbyterian! While basic beliefs are very similar, further doctrine beliefs and the ceremonial requirements of the Catholic church are not what I believe in. So, this book was wonderful to refresh my childhood teachings.

I attend another faith services with a preference towards Presbyterianism. Since I am relatively new

to this faith, I wanted a succinct background of the Presbyterian beliefs. This paperback has that, and it is well written in laymen's terms. There are also in-depth explanations of the church's positions on key issues of the faith. A feature which I especially like is the discussion question list at the end of each chapter. They can be used for group discussion or self-indulgence. At the end of the book there is a list of titles for further detail on any of the aforementioned subject matter. I believe that you will enjoy this book. I do.

I used this as a basis for eldership training, It was simple and yet precise so that our lay leaders could have understood the material quite easily. We need more of these.

I loved this book it was very well laid out and presented! A very good starting point for anyone interested in knowing why Presbyterians believe what they do.

Wonderful...helpful book
