Customer Reviews

I downloaded this to read with my Great-grandchildren during downtime. They all know I carry my Kindle with me in my purse. I find having stories to read when they get bored keeps them happy. This is the basic Goldilocks story but it has nice pictures. Emily learned when to turn the page by the repetition of words. Her older sister Elessa read it to her and all was relaxing. The value of this book is that it is a Kindle book. I would not carry a library of classic books with me but have 16

happy books with me on my Kindle. I am not sure if this is a review of the book or the Kindle. Either way I am a happy Grandma! Kindle Keyboard 3G, Free 3G + Wi-Fi, 6" E Ink Display - includes Special Offers & Sponsored Screensavers

Cute book my grandchildren enjoyed it on their week's vacation here with us. Thank

Easy to read story for my two year old grandson. Does not vary much from the tale I was familiar with. We read it on my phone and right now it is his top choice.

My boys loved this book and all the pictures were very colorful and cute. It was nice to include Mommy Bear and Daddy Bear instead of the Medium size and Big Bear other stories include.

Good short fairy tale.

Who doesn't know this story? It is so wonderful to share one of my favorite children stories with my Granddaughter, Love it! Brings back wonderful memories. Thanks for staying true to the classic.

this is a really lovely book with good sized print so it is easy to read for young and old. The pictures are cute and it brings back memories of reading this story when I was young

Purchased for my grand-daughter. She is 2 years old and loves my Kindle. She can "read" her own books and really likes this one.
