Kindle FreeTime Unlimited: What Parents Need To Know BEFORE Signing Up! (Consumer Quick Guides)

Synopsis

If you are thinking about subscribing to Kindle FreeTime Unlimited for kids (also known as FreeTime Unlimited), this little guide will offer you the information you need to make an informed decision. Get to know all about what Kindle FreeTime is, what's included in the service, and most important, what parents are saying. Some parents love this service, and think it's the greatest thing since sliced bread for their kiddos, while other parents are fed up with some of the usability issues described inside this guide. Every complaint mentioned inside has a reference link, so you can go view the conversation or blog post for yourself. This guide is available through Kindle Unlimited, so if you are a subscriber, you can download it for free.

Customer Reviews

I am glad I didn't pay for this. It was not helpful. I was hoping to have a how-to, but it was just a long version of WHAT Kindle FreeTime unlimited is, but it didn't even really do a good job of that.

Spent a lot of time summarizing reviews. I was expecting a detailed description of the product. Sounds like the program works if hardware is adequate and setup is handled by a capable individual.

Useless information. I've gotten more information from a product description. Don't waste your money.

did not come with directions. tendency to shift books or videos when edge of child's case pinched by my toddler

Still learning about controlling time on the kindle

My best advice to any other parent out there is to either not get it, or cancel it before you have your kids use the device.1. Items that are free are limited or lite versions, and often require in-app purchases that are very hard to track once you've bought them.2. If you do buy an app, it may be available under YOUR profile, but not under your kids'--even if you have it set to deliver to the kid.3. If you did buy an app and were able to get it on your kids' profile, they may not be able to play it because it's not allowed on FreeTime (wrap your head around that)4. Good luck cancelling FreeTime...I have four confirmation emails that it was cancelled...yeah, not cancelled.5. When you do finally decide to cancel FreeTime, your kids' profiles will be wiped....

Slight learning curve for Mama but awesome stuff! As an IT Professional, I've dealt with iOS and Droid daily for years, but truthfully, this addition made me think about and add the Fire platform to my Arsenal

We recently purchased a Kindle fire for our oldest son. We purchased a Kindle Fire HDX to avoid storage issues and installed unlimited FreeTime and the FreeTime app to restrict usage. It seems to be working well.
