Best Women's Erotica Of The Year, Volume 1

Synopsis

Best Women's Erotica of the Year, Volume 1, edited by award-winning author and editor Rachel Kramer Bussel, delivers risky, romantic, heart-pounding thrills. Featuring a diverse range of characters, sexualities and scenarios, these 22 steamy stories revel in erotic adventure, from the sparks between strangers to the knowing caresses of longtime lovers. Women learn "The Ropes," get "Starstruck" and dine with "Two Doms for Dinner." Penned by beloved authors such as L. Marie Adeline and Tiffany Reisz along with newcomers to the genre, these sexy encounters will give you plenty of fantasy fodder to last all year long.

Customer Reviews

It is lame. I am sure there must be better.

Would not say this is the best but it is not too bad..... Many different stories and scenarios so you are bound to find one or two that work for you

I have enjoyed this book. Good insight to ladies' point of view.

great

All right, I'll admit it, I'm a Rose Caraway fan. In my opinion, no one does the narration of an erotic story better than Rose. I've been listening to her for years now, first on the Kiss Me Quick's and Sexy Librarian podcasts, then on her ever expanding catalog of audio books. Each one has been better than the last. Rachel Kramer Bussel has edited many fine anthologies, and this is one of the finest I've ever read. The combination of these stories and Rose's voice makes for an unbeatable combination. I'm a guy, but I felt sucked right into these stories. They made my morning and evening commutes wonderful experiences.

A thrilling and fun collection, this book includes terrific stories that present readers with a variety of perspectives, settings, preferences, attitudes & turn ons, and I wholeheartedly believe it deserves the title "Best" Women's Erotica of the Year. Though it might seem ridiculously academic to comment on the quality of the writing itself in a book of erotica, the quality of writing itself was a turn on! Personally I often feel erotica can be cringe-worthy--unbelievable scenarios, silly people and unlikely reactions. But the characters in these stories were strong (not in a cheesy "you go girl!" type way, but true their goals and desires), the storylines were genuinely interesting, and the sex--yes, the hot and steamy sex--was great. It felt like a revelation! Editor Rachel Kramer Bussel deserves great praise for putting together such a joyous and heart-thumping anthology, including a wide swath of writers who are only similar in their celebration of the female libido!

Haven't had time to really get into reading it yet. So from the one story, I can only rate it 3 of five.

This was a how to book not a novel so the categories above don't apply. Was what I was looking for.
