Customer Reviews

My little one loves this book. Its super cute that its a hide-n-seek peekaboo book with farm animals. Teaches them farm animal noises and is also great for little ones who like touch and feel books too. Its a great book and I highly recommend it.

I ordered this for a "farm-house" themed diaper cake and it turned out perfect. Great quality and very cute.

This has been my sons favorite book from when he was six months old until now (9.5mo). Great

photos, photos of real babies, sturdy construction, super cute

I love this book. I love the thickness of the flaps and the pages, and the illustrations are adorable! Also it has nice big patches of "animal fur" for my daughter to feel and large thick pages that don't seem to get damaged easily with a little light chewing lol ... i'd buy again :)

My two year old loves this book! The pages and flaps are sturdy.

I recently purchased this book to read to my newborn. He is almost 3 months old and really focuses on the pictures. He really loves the sparkly stars on the last page. Each page has a different farm animal, we make the animal noise as we read the book to him. I am sure this is a book that will grow with him for at least the next several months. This book is a bigger size than most board books. This makes it much easier to hold when you are also holding a squirming baby. Overall a great purchase.

Cute book. My nephew loved it.

Baby loves these pop-up books!
