Double Cross (Robot Wars, Book 2)

Synopsis

Set in an experimental community on Mars in the year 2039, the Robot Wars series features 14-year-old virtual reality specialist Tyce Sanders. Life on the red planet is not always easy, but it is definitely exciting. Tyce finds that the mysteries of the planet point to his greatest discovery— a new relationship with God. He talks about his growing faith and curiosity in a manner that kids can relate to. Each book contains two exciting adventures. In the first adventure of Double Cross, Tyce makes a startling discovery— one that could change life for everyone in the universe. That is, if Tyce lives to uncover the truth. In the second adventure, a deadly comet catapults toward Mars. Can Tyce figure out how to stop it before it destroys the colony? Robot Wars is a repackaged and updated version of Mars Diaries. There are now five books in the series; each book contains two stories. These new books contain a foreword about how far science has brought us.

Life in an experimental community on Mars is filled with adventure, new discoveries, and questions. As 14-year-old virtual-reality specialist Tyce Sanders searches for truth, he battles forces of evil—all while struggling to believe in God. In book two, Tyce has to figure out what's really behind strange black boxes that show up on Mars after a quake. Then he has to stop a deadly comet from destroying the planet and all those living on it. Can Tyce learn to pilot a test space vehicle in enough time to stop the comet?

In some ways gripping, but too much author intrusion and outright apologetics. The plot is good, but the "reflections" are too heavy handed for me.

My reluctant reader (10 year old male) loves this series.

Great book exciting and fun sad action packed !!!!!!!!!!!!!!!

Gift

Great book to read with a child. Takes a Christian approach to science, space, and the human condition. My son loves all of the books so far.

Great series! As a 40 year old man I enjoyed it just as much as my 11 year old son whom I bought it for.

Great book. Thank you

We read it as Father and son, and really enjoyed the story, it kept us hooked. Loved the plot twist at the end!
