Treasures Of Westminster Abbey

Synopsis

The Treasures of Westminster Abbey celebrates an iconic building and its rich artistic heritage. The Abbey, one of Britain's greatest medieval buildings and among the best-known churches in the world, has a history stretching back over a thousand years. Founded as a Benedictine monastery in the mid-tenth century and with the shrine of its principal royal founder, St Edward the Confessor, at its heart, it is also the coronation church where monarchs have been crowned amid great splendour since 1066. The present church, begun by Henry III in 1245, was planned with that in mind and is a treasure house of architectural and artistic achievement on which each succeeding century has left its mark. Seventeen out of the thirty-nine sovereigns crowned in Westminster Abbey also lie buried within its walls. Their medieval and Renaissance tombs, though among the most important in Europe, form only a small part of the extraordinary collection of gravestones, memorials and monumental sculpture for which the Abbey has long been famous and which is comprehensively surveyed in this lavishly illustrated book. Many of the most significant individuals in British history are remembered here: royalty and aristocracy, clergy and politicians, writers, scientists and musicians. Ranging from the thirteenth-century shrine of St Edward and the Renaissance splendour of Henry VII's Lady Chapel, to the literary memorials of Poets' Corner and the statues of Twentieth Century Martyrs on the Abbey's west front, *The Treasures of Westminster Abbey* describes the stained glass, furniture, sculpture, textiles, wall paintings and many other historic artifacts found within this remarkable church.

Customer Reviews

Tony Trowles joined the staff of Westminster Abbey Library in 1993 and has been Librarian since 1998. He previously worked at the Institute of Historical Research, London University. In 2005 he compiled *A Bibliography of Westminster Abbey*. --This text refers to an out of print or unavailable edition of this title.

After visiting Westminster Abbey, and not being allowed to take photographs, I decided that when I got home, not wanting to carry a heavy book all over Britain and Europe, I would search out a book which had all the information I wanted. I needed a book which listed who was buried there, and when, and which had loads of photos for my memories. This is a spectacular book, and meets all of my needs. I love it. Thanks.

Excellent book with both pictures and write up focused on explaining major figures, sculptures, and history. Good companion to someone visiting Westminster Abbey especially since you are unable to take pictures inside.

Loads of photos and details about everyone buried or memorialized at Westminster! I was able to find all my Ancestors buried there!

Very interesting read. Use it prior to your visit so you know what you are looking at once you get there.

Amazing! photos and quality. Great purchase and experience with this vendor.

When I visited Westminster Abby in 2009, I saw just a small portion of all the treasures, the book showed me even more.

FANTASTIC!

Makes me feel that i saw nothing during our tour. What an amazing book of ideas, people, monuments, and burials.
