I love these books. So easy to read.

Very good book, in perfect conditions. I'm enjoying it.

I loved this. I have many other "chicken soup" books, but have not read or purchased them for years. I took a chance on this one as I'm a Emme fan. Well worth the price and good mix of authorswe all need inspiration with a kick in the butt.

This compilation of real life stories offers a wonderful contribution to the current social conversation about body image and self worth. I am a proud contributor to this Chicken Soup volume (story #3 - A Confident Triumph) and a life-long fan of the series. Once again Chicken Soup has touched our hearts and challenged our minds.

If you're looking for inspiration you don't have to look any further, Curvy and Confident has 300+ pages of it. Known for "changing the world one story at a time", Chicken Soup for the Soul: Curvy & Confident is no exception. With 101 true stories from real people who share their wisdom, how they live their life with gusto, how they find joy in exercise to how they broke out of their comfort zone, whether you're male or female you're bound to discover encouraging stories you can relate to. I'm thrilled to be a contributing author for this book and it is my hope that this book will help support a growing movement of loving and accepting yourself as you are and to see the beauty in yourself that you see in those around you. It is never too early to teach the importance of positive body image and never too late to be reminded of it. I highly recommend giving this book to young adults, friends, and anyone who may benefit from a good read with an inspiring message.

I am so proud to be among the many amazing authors in this book. The stories are rich with honesty, emotion, and inspiration. Many have brought me to tears and made me feel so proud to be a woman who loves herself no matter what. This is a book that everyone should read to have a deeper understanding of enjoying and loving your body regardless of shape or size. Such a wonderful message for all!!! Thank you Chicken Soup for the Soul!!!

I've read many chicken soups before. Yes I'm overweight and thought this would be a good read. This didn't do anything for me. Maybe I was expecting more out of this in a way to learn to accept that I am who I am. Disappointing

Great book! Love the story by Patrick Michael McIntyre! Such a loving tribute to his SweetestRedHead! You could feel his love for her.Chicken Soup for the Soul: Curvy & Confident: 101 Stories about Loving Yourself and Your Body
