Every map has it strengths ans weaknesses. Except on line i could not find a map that had highways, U-bahn, S-bahn, AND numbered bus routes. So the inclusion of bus routes was the

reason I bought the map. Marco Polo has it all. On line maps are swell but when out on the streets of a foreign city nothing a hard copy of the map in your pocket.

Wish the back wasn't just a list of streets, and wish the train lines were drawn on the map, not just the stations. Overall good though.
