Away In A Manger (A VeggieTales Book)

Synopsis

Push the button of this Nativity music book to hear Junior Asparagus sing 'Away in a Manger.' Children will love this musical board book! The VeggieTales characters star in this story of the birth of Jesus, told through the verses of 'Away in a Manger.' The sound button triggers the carol, sung by the familiar voice of Junior Asparagus. This fun yet reverent Nativity book is a great way to keep toddlers talking -- and singing -- about the true meaning of Christmas. Ages 2-5. Though often attributed to Martin Luther, the original verses of this classic carol were written by an unknown author and first published in 1885. One of the most popular Christmas songs of all time, 'Away in a Manger' is sung each year by millions of children and adults in homes, churches, and as part of Christmas programs and caroling.

Lisa Reed has been drawing pictures since she was old enough to hold a pencil. The book is very cute and my 20 month old likes it, but it only plays the first verse of "Away in a

Manger". If you follow along in the book with the song, the text goes on to verse 2 and 3, but the song only plays the first verse. I would have thought they could have recorded all 3 verses to match the text in the book. It was a little disappointing.

Disappointed that it does not play the whole song. Thought it was defective, but read other similar comments. A bit embarrassed to give as a gift.

This book is so cute for the little ones. I have a 21 month old and twin daughters that are 4 years old and they all fight over this book. The baby got this for Christmas and her sisters are always stealing it from her. They all love to look at the pictures that are beautifully designed. It still plays the music even after being played relentlessly around the holidays. Unfortunately the binding on the edge is starting to fall apart, b/c the kiddos are a little too rough with it. I would recommend buying this book and would buy it again.

Besides the annoying tone of the singer, my 14 month old loves pushing the button and its large and easy for him to push over and over again.

Was so excited to get this book to give as a christmas gift. It was supposed to be new and came with pen scribbles all over the front cover, I'm hoping to get a new book!

Away in a Manger is a compelling story of the childhood of Jesus Christ. The entire story begins and ends at essentially the same point in time. Jesus is in a manger in a stable and his two parents and a few animals are hanging out in the stable and appear curious about their new barn habitant.

We bought this book for our 2 year old great granddaughter. Somehow it got misplaced. We went back to the store it was purchased at, & it was no longer available. Searched on & ordered. Now we have a happy little one enjoying her book again. She even likes to take it for nap time. We play the song over, & over again until she falls asleep.

Great book. Great Christmas song thos I have noticed tht the grandkids love the Christmas stories through out the year. This is one of my favorite songs. Veggie Tales do a great job on it. It's good
