Customer Reviews

Many good ideas. Most I have been to or knew about. Others maybe not as cool as expected. But, definitely got some great ideas from this book.

Totally Free Summer Staycation gives you a daily schedule for a week's worth of FREE activities to do with your family around the Cincinnati/Dayton area. This book is geared for families with preschool-elementary age children, but could really be used by anybody. Each day includes an activity along with recommended reading that will make your adventures even more meaningful. Some days even end with a recommended movie that ties into what you saw on that particular day. And did I mention that all activities listed are FREE? I love all the thought and effort that went into this resource. I also love that it is in an electronic format and that I can access it through my Kindle App on my phone when we are out and about. Absolutely worth the purchase. Having a copy of "Adventures Around Cincinnati - A Parent's Guide to Unique and Memorable Places to Explore with your Kids" would be helpful, as this short book refers to it, but it is not necessary. As somebody that lives in Cincinnati, I highly recommend purchasing Adventures Around Cincinnati as it is a wonderful resource for exploring the Cincinnati area. (Wish it was also available in electronic format.) If you are a teacher, this guide is also a great resource for FREE field trip planning. Download and start exploring Cincinnati for free today!

Being an admirer of the book "Adventures Around Cincinnati" I must say that the companion guide, "Totally FREE Summer Staycation" is a MUST have for families looking for a fun summer vacation without going far from home or the high costs of vacationing. What I love is the daily guide for where to go, what to take & BOOKS that you can borrow from the library #includes the ISBN #'s to the Hamilton County Library #to accompany that day's activity. They offer several different day trips, books & activities to accompany what you want to do that day. This companion guide is a great way to make life long memories with your children that will last forever!!!
