Customer Reviews

Due to the abuse I grew up enduring despite being in a "Christian" family. I suffered physical emotional etc abuse from my Father Step father & Mom. Therefore my image of God the Father was incorrect. This book was truly a very significant turning point in my life! I'd lost my copy & ordered more for one to keep & others to give out. I couldn't recommend any book more highly!

This book help me discover several childhood wounds that I had long buried but were still having a profound negative effect on my life. I am now able to recognize the nature of some of my odd moods and behavior and change course because I know where it is coming from. Highly recommended!

Great insights into the being and heart of our wonderful God and his love for us.
