# Woman Of Grace (Brides Of Culdee Creek Book #2)

## Synopsis

These classic historical romance novels are getting a new look for the next generation of readers. But the wonderful stories remain the same, as touching and fresh as they were when first published. Praise for the Brides of Culdee Creek series: "A poignant love story that will remain with the reader long after the book is closed."--Lori Copeland, author of the Brides of the West series "A beautiful story of redemptive love. . . . A memorable read."--Robin Lee Hatcher, author of Catching Katie "A spectacular new series."--Library Journal Praise for Kathleen Morgan: "Kathleen Morgan writes with deep emotion and feeling."--Reader to Reader "A marvelous storyteller."--Romantic Times "Kathleen Morgan is a phenomenal writer!"--The Talisman

### Customer Reviews

For what its worth the Brides of Culdee Creek is the first complete series that I have read. That says a lot because I devour so many books and, believe you me, there are many series where I stop at Book 1 even though I may profess to enjoy the book. For me its hard to dive into a book two only to

be disappointed and I often doubt that the author can recreate the magic of the first book. Well for some reason I exercised a little faith with this series and boy was I happy. Woman of Grace which is Book 2 in the series was as different, unique and special as Book 1. (Although I must say that Abby and Connor's story will forever hold a special place in my heart:) After reading Francine River's Redeeming Love I truly didn't know if any other story about the redemption of a prostitute would have been quite as engaging. Yet for it all Kathleen Morgan pulls it off expertly and while Hannah does bear a few similarities to Francine's Angel, the stories are quite different.STORY SYNOPSIS: Abby and Connor from Book 1 are happily married and expecting a baby. Due to a strange twist of fate Devlin is forced to depend on Hannah, the "whore" who he slept with during a rocky part of his marriage. Devlin uses every opportunity he gets to castigate Hannah for when he sees her, his transgression is ever before him and while his truly beautiful wife may have accepted that he was unfaithful there is no way that she needs to know that Hannah was the specific prostitute he slept with. Hannah loves and cares for Ella (Devlin's wife) and their kids and when Ella falls ill and Abby is unable to step in due to her own pregnancy, Hannah offers her aid. There is also the issue of Evan, Connor's son, who some people think Hannah is stringing along. Marrying the very willing Evan would make life very stable for Hannah for as Evan's wife she would inherit Culdee Creek and financial security for her and her baby boy would be sure. Forgiveness, humility and courage are major themes in this fantastic book as an unlikely but truly genuine romance develops between a couple of the main characters. Book 2 is truly worth a read!P.S. While reading Book 2 go ahead and get Book 3 and Book 4. I have and their reviews are posted as well:)

As with any of Kathleen Morgan's books, I expect an enjoyable story more than some great work of fiction. As a result this book was exactly what I expected - A heart-warming story with characters you connect with and get to watch grow and develop. :)I enjoyed watching continuing involvement of the characters from the previous book in the series. As with the first book in the series, the Christian elements read more like a sermon at some points. I'd have preferred to see them done with a bit more finesse.I found some of the character reactions to be tiresome and unbelievable at times, which dampened my enjoyment, but overall I liked it and will undoubtedly read it again, though it's not a favorite.

I am a series reader of the old west. I loved Kathleen Morgan's first two book in this series. I will be reading all of her books and will continue to enjoy the Christian aspect of living in those long ago days. It's really nice to read a book without blushing or skipping over words you don't normally say. I

am one of those women. I love classic historical romances set in this time period, the old west. When a writer pulls you into a book and you become that character, then you have a good book as far as I'm concerned. This one is one such book. I recommend it for any historical fiction fans. Beautiful characters and a lovely story.

This is my second reading of this book. I enjoyed it even more this time. The bible references referred to in the story is very inspiring. Kathleen Morgan is a wonderful author.

Considering the subject matter of the book, I thought the author did a really good job in keeping it clean and wholesome. You couldn't help but love Hannah and feel sorry for Devlin. Throughout the book, I could see the two falling in love. I thought the twist at the end was excellent as well. Devlin came to save Hannah, but...well, you'll just have to read it to see! Though some thought these first two books were a lot alike, I tended to disagree. Connor had a lot more hatred to overcome and was just a really rough and tough guy. I saw Devlin as ore of a teddy bear who'd made a few mistakes. He came around a lot faster than Connor did. In fact, reading this second book and how nice Connor was was almost frightening. He'd done a 360 degree turn. I think Ms. Morgan should have left him a bit rough...

First book for me by this author....I am officially hooked. I want to follow these characters and see the path that they take and the people they meet. The author does an excellent job unfolding the characters. You feel and see through the author's vibrant telling. The romance? It's there. The action? It's there. The message? It's there too.

I loved this book too. I always felt that during the 1800s that people were too harsh on women who worked in saloons. Granted, I wouldn't want to work that kind of work, but I always felt that God wouldn't judge too harshly if these women didn't know God's love. But I really love how Hannah changed her entire life around and worked hard to make a better world for herself and her son. I also felt that Devlin should have been more understanding of Hannah's plight even though he didn't quite realize that he was just at fault as Hannah was. I always felt compassion for those who suffered because of what they did in order to survive. So I really love this book.

This is a touching story of forgiveness and grace. It teaches many lessons of grace and redemption and how God can take bad circumstances and use them for our good and his glory.
