The Bodyboard Travel Guide: The 100 Most Awesome Waves On The Planet

Synopsis

From California to Hawaii, from Australia to Brazil, there are millions of bodyboarders around the world and one thing they all have in common is a burning desire to travel. The Bodyboard Travel Guide focuses on the 100 best bodyboard waves on the planet, and gives bodyboarders all the information they need to get out there and ride 'em. Also includes sections on equipment, training, first aid, boat trips, road trips and meteorology. With a foreword by top Australian pro Mitch Rawlins, this book is a must-buy for all bodyboarders.

Customer Reviews

Owen Pye is a freelance international journalist, writer and bodyboarder. Mike Searle is publishing editor of ThreeSixty Magazine, Europe's longest-running bodyboard publication. Rob Barber is Britain's leading bodyboarding coach and a former national champion.

Great Book!

Gifted to a bodyboarder with a travel bug. Let's you know about lesser known spots, considerations about what to bring. He reads bodyboarding magazines, follows websites, this book still left him with surprises and new places to research

Great book really full of all information bodyboarders need to know on locations they are heading to! Highly recommended. If you plan on travelling and bodyboard get this book

The tips in this book are very good for all levels of athletes in this sport. For beginners and professionals, indications of waves, travel, training, etc.. All for one who loves bodyboarding! The Bodyboard Travel Guide: The 100 Most Awesome Waves on the Planet

A lot of tips, awesomes pictures & awesome stuff. 4 stars because it doesn't tell you how to find the spots and some are kinda secret

lotsa spots, lotsa practical info but i wish it was a lil more in depth w lot of these spots. but overall pretty good & inspirational

the bodyboard travel guide has it all. loads of information, great pictures, easy read and intelligent layout. the book is full with spots all around the world, describing not only the typology of the wave by text and picture, but also giving useful information as best season, travel tips, boogvibes or traveller tales to give the reader the best idea of the spot in and out of the water. it also dedicates some pages to things as first aid, boarders hardware, fotography and budget. or would you know how to treat fin rubs when you get them on a trip in the tropics? conclusion: great literature written by boarders for boarders! after reading the bodyboarder guide you just want to pack your stuff and go bodyboarding!

Okay this review is gonna be written by my bro Mitch who is a fanatic booger....At last theres a super cool book about bbing!!! The photos in this book are so good!! Us boogers used to have mags to read but now there all gone. So its cool to find a book about places to travel and all the info you need. Eddie my bro surfs and he has surf books like the stormrider but it has no photos of boogers....plus half the waves are fat points which totaly suck for us boogers!! So if your a booger get this book and get stoked. Peace and out!! Mitch J
