Trees

Synopsis

A lyrical narrative and lovely, graphic illustrations pay tribute to the beauty and importance of the trees all around us. Trees change through the seasons – springing to life, bearing fruit, and losing their leaves before a period of sleep. They clean the air we breathe, provide seeds and homes for creatures, and extend their shade to everyone equally. Throughout all these changes, trees are constant, patiently learning to grow and flourish wherever they might be. *Trees* is a reverent and poetic homage that invites the reader to take a closer look at these magnificent beings.

Book Information

Hardcover: 40 pages

Publisher: Candlewick Studio (March 14, 2017)

Language: English

ISBN-10: 0763690015

ISBN-13: 978-0763690014

Product Dimensions: 9.3 x 0.4 x 9.3 inches

Shipping Weight: 8.8 ounces (View shipping rates and policies)

Average Customer Review: 5.0 out of 5 stars 1 customer review

Best Sellers Rank: #799,067 in Books (See Top 100 in Books) #163 in [Books > Children's Books > Education & Reference > Science Studies > Botany](#) #192 in [Books > Children's Books > Education & Reference > Science Studies > Nature > Forests & Trees](#) #266 in [Books > Children's Books > Education & Reference > Science Studies > Nature > Flowers & Plants](#)

Grade Level: Preschool - Kindergarten

Customer Reviews

Elegant illustrations and a subtle, heartwarming environmental message elevate this picture book above the plethora of more conventional nature books for young children...This peaceful and attractive offering will encourage young children and their caregivers to take a new look at a part of the landscape often taken for granted. – Kirkus Reviews Rich coloring and textures reminiscent of ink and watercolor create a hand-painted feel, elevating the simple narrative. A solid family read-aloud or a conservation primer for preschoolers. The striking illustrations and accessible information make this a first purchase. – School Library Journal The colorful mixed-media illustrations are a charming, collagelike blend of textures, simplistic shapes, and intricate patterns, and a ubiquitous small bird lends a playful touch...this eloquent, affectionate portrayal will invite

awareness and appreciation of ways trees enhance and impact life. **•Booklist**Trees is more than another pretty book, though--in simple language, it provides real, if poetically minimal, information...Simply lovely. **•Shelf Awareness Pro**

Lemniscates is an author/illustrator/designer collective that creates children's books and storybook apps. Established in Barcelona in 2010, Lemniscates has a special interest in books that encourage creative thinking and curiosity about subjects such as nature, the environment, friendship, adoption, fear, and self-acceptance.

gorgeous and a must have for exploring trees with little ones.
