Customer Reviews

NATIONAL GEOGRAPHIC KIDS inspires young adventurers to explore the world through award-winning magazines, books, website, apps, games, toys, television series and events and is the only kids brand with a world-class scientific organization at its core.

I love these books. I'm constantly looking for interesting nonfiction texts for my classroom. These are perfect for my third graders and they can not get enough of them. Kids are constantly coming up to me and telling me new facts that they have learned from the books in this series. Great for science, reading, social studies, history, vocabulary, etc. Highly recommended!

Great information for kids to understand bears!

You can't beat these books.

Love all these National Geographic readers...Level 3 is great for second grade readers into third..

My nephew loves this book. The pictures are great.

These books are the best. I am buying all of them. My 6 year old son loves them.

Everything it said!

Perfect addition to our bear unit, my preschooler loved it.
