## Customer Reviews

Robert Ryan lives in Asbury Park NJ where he has been painting and tattooing for 20 years, taught in the classic traditional American style of bold line, heavy shading and solid field of color. His knowledge of Eastern Spirituality, Western Mysticism, and Shamanism are all distilled through the filter of this powerful folk tattoo aesthetic. Robert's work has been featured in many galleries, schools, and publications world wide. As a musician he has released albums with the bands Lord Sterling, Out Like Lambs, and Harmonize Most High as well as his solo effort American Cloud Songs. Continuing to take many pilgrimages to India, Nepal and Peru, learning from Curanderos, Sadhus, Tantrics, and Monks, his work has tapped into a hidden knowledge which can only be passed down through the oral traditions and ancient practices.

An amazing artist and thinker who is deeply interested in pattern, transcendence, spirituality and

color. A beautiful book.

Great artwork, tattoos, and stories. They will be talking about this book for many generations in the industry
