Debbie Macomber Cedar Cove CD Collection 2: 44 Cranberry Point, 50 Harbor Street (Debbie Macomber's Cedar Cove Collection)

Synopsis

Two of Debbie Macomber's Cedar Cove novels in a single collection! 44 Cranberry Point Dear Listener, Jack and I are just back from our honeymoon, and I'm eager to catch up with my friends Bob and Peggy Beldon, who run the Thyme and Tide bed-and-breakfast at 44 Cranberry Point. It's a popular place but (needless to say!) things haven't been the same since a man died there. Turns out his name was Max Russell, and Bob had known him briefly in Vietnam. Nobody has any idea why he showed up or—most important of all—who killed him. Because it now appears that he was poisoned. I sure hope, especially for Bob and Peggy's sake, that somebody figures it out soon! Not that they're providing the only news in Cedar Cove these days. Romance seems to be everywhere among my family and friends. I'm pleased to report that Grace Sherman has more than her share of interested men. Her daughter Maryellen is getting married to Jon Bowman. And my mother, Charlotte, seems to have a man in her life, too. I'm not sure how I feel about that yet. There's lots of other gossip I could tell you. Join me at Peggy's place for a cup of tea and one of her fabulous blueberry muffins and we'll talk.

Dear Listeners, Believe it or not, we have another mystery in Cedar Cove! This one, ironically enough, involves the McAfees—Roy, who's a private investigator, and his wife, Corrie. They've been receiving anonymous postcards and messages asking if they "regret the past." Corrie says she has no idea what any of it means. On a more positive note, they're both delighted that their daughter, Linnette, has moved to Cedar Cove to work at the new medical clinic. And when Corrie attended the humane society's "Dog and Bachelor Auction," she bought Linnette a date with Cal Washburn, who works at Cliff Harding's horse farm. Unfortunately, Linnette seems less enthusiastic about this than Corrie is. Speaking of Cliff, the romance between him and Grace Sherman is back on. But that's only one of the many interesting stories here in town. Corrie's invited you and me for a coffee at the McAfee house—that's 50 Harbor Street—and we'll tell you everything we know!

Debbie Macomber, the author of *Hannah's List*, 1022 Evergreen Place, *Summer on Blossom Street*, 92 Pacific Boulevard, and *Twenty Wishes*, is a leading voice in women's fiction. Three of her novels have scored the #1 slot on the New York Times, USA Today, and Publishers Weekly bestseller lists. Debbie Macomber's *Mrs. Miracle* was Hallmark Channel's top-watched movie for 2009. Winner of the 2005 Quill Award for Best Romance, the prolific author has more than 140 million copies of her books in print worldwide.

I enjoy her writing except here the different characters have been combined and there is a lot of back tracking and repetition. Each time she speaks of a character it is as if it is the first time the reader has been introduced to the character so there is a description with background info, feelings. I was frustrated and skimmed through it because of that.

This book follows several families who live in Cedar Cove and the families are relatives and friends, as you would expect from residents of a small town. It was a pleasant process to watch the changes and problems of people I have come to regard as friends. Once again Debbie Macomber presents people and places who feel real. I enjoyed watching how these people resolved their problems and became closer as a result.

Could not wait to start this series after completing Vol 1. And as soon as I finished this volume I downloaded Vol 3. It is important to read them in order and she does repeat some info for those who read each address separately and not in the volume set but you can skim over the overview and get on with the story! I love these characters and I'm ready to put my house on the market and move to Cedar Cove.

I always enjoy Debbie Macomber's Cedar Cove series and was glad to get this set at a reasonable price. Entertaining characters with plausible issues throughout the series.

I would recommend this book to anyone who likes stories that speak of love and life without going into details of the characters private affairs.

Light, easy, pleasant reading about relationships in all phases of life - mostly positive & uplifting. Includes some relationships that are too spicy for children. Recreational reading. I like the 4-book pack, because I don't have to wait for the next in the series. I also have Volume 3 already to go. It feels somewhat like you are living among these people in Cedar Cove.

Love this series of stories each one moves seamlessly to the next. Will be sorry when the series ends.

I fell in love with this through the Inn at Rose Harbor series! Then on to Volume 1 set of Cedar Cove series! So great I had to buy the DVDS of seasons 1 and 2. Now, how to catch up w episodes 1-5 on TV season 3????? My only critique is I wished she would get back to the core characters. Too many people in Boxed Set 2 that I just don't feel close too. Want more Olivia, Grace, their children and families! The Bobby Polgar line was just plain weird and didn't fit in! Oh. And the scenery in the DVDs is worth everything. Sooo lovely!
