Grade 4-8-This is an excellent and engaging translation of what has so quickly become a modern classic. Using accessible language in keeping with the original text, the translators have chosen to keep the quirky character's names in the original English. But they did make a brave attempt to translate the names of some important elements of the story, such as the Leaky Cauldron Tavern (Caldero Chorreante) and the much admired, super broomstick Firebolt (Saeta de Fuego).

Rowling's engrossing story shines through effortlessly. Highly recommended. Emec? has also published the first two titles in the Potter series, Harry Potter y la piedra filosofal (Harry Potter and the Sorcerer's Stone) and Harry Potter y la cámara secreta (Harry Potter and the Chamber of Secrets). I like the book, everyone knows Harry Potter is successful because of its fun adventurous writing. I purchased this in Spanish to further my Spanish literacy. It's a good story, and a good tool.

el mejor de todos los 6 libros para mi opinion ,ahora no se porque se empeñan en comparar y criticar el doblaje al español como un ejemplo que lei en los primeros reviews " correo de lechugas "eso de el inglés al español seria casi la mejor traduccion palabra a palabra pero no sonaria nada bien a mi me suena como que el correo solo se envian lechugas o los duenos son lechugas lol es inevitable que la traduccion sea igual o mejor la autora es inglesa ,yo tengo los libros en español y en inglés para mi hija que nacio en un pais que la lengua principal es inglés y la verdad nunca los leerian en inglés porque estoy seguro que no me gustaria si les en español compralos en español y si no en tu idioma ya esta .te encantara no lo dudes en español o no

Love all of Salamandra's Harry Potter translations and loved the fast shipping!

Well I'm studying Spanish and needed reading material for my every day practice in Spanish reading. I'm not a Harry Potter fan, but it is a book I can find easily enough to compare it to an English book so that I can compare the two. In any case I have found no complaints and would recommend to anyone trying to learn Spanish or re-immense themselves in it. I hope this helps! ¡Muchas Gracias!JPM

I'm a Portuguese speaker who wanted to challenge himself to read a familiar book in Spanish. The edition is quite good and the shipment arrived in time.

Es muy bien, el libro de mi juventud. Lo he leído en inglés, y ahora puedo leerlo en español. Es tan excelente como siempre.

I bought it in Spanish although I have read it in English. The Kindle reading app helps with translation.

Llore con la carta de Sirius Black, hubiera sido genial que vivieran juntos. Una hermosa historia sin duda . Sigamos
