# Victoria With Kids, Eat Play Shop: An Essential Guide For Cool Parents And Their Children

## Synopsis

Victoria with Kids is a delightful guide book that gets you away from the tourist traps and shows you a wonderfully charming Victoria British Columbia that both you and your children will enjoy. Eat your way through Victoria's vibrant and kid friendly food scene, shop at unique toy stores and children's boutiques, and spend time exploring our many fun playgrounds, beaches, and outdoor spaces. Victoria with Kids is an amazing resource full of good local fun including many many links. Like to eat? Learn where to find, among other things, the best thin crust wood oven pizza, cheap and delicious BBQ, fresh fish tacos served out of an up-cycled cargo container, and the worlds best chocolate chip cookies. Take your kids to one of Victoria's many farmers markets to gather fresh ingredients for dinner, or simply get a baguette and some cheese from one of our charcuterie's and go enjoy a picnic at a great beach. All sorts of information is stuffed into this engaging book. You will learn where to find medical clinics, what touristy things are worth doing, where to find great beaches, playgrounds, small child friendly hikes, and where you can take the kids to blow of some steam downtown. This book includes a comprehensive list of playgroups, rec-centers, one day classes, movie theaters, and yes, dates night ideas (if you can get away from the kids). Check out <http://victoriawithkids.com> for updated information as well as our blog where you can see some more fun family outings around Victoria.

## Customer Reviews

This is such a great guide - well researched, well organized, practical suggestions, humor, photos! All you really need to know about children and Victoria, written by a local mother of two who obviously knows her topic! Not only is there info on entertainment, there is medical info (clincs,

hospitals). There is dining info..There is accomodation info. There is what to do on a rainy day info!Great book for visitors and locals - grandparents, aunts, uncles!! Bravo I say!!

This book is also useful for adults without kids. My third trip to Victoria is coming up soon, and this guide will be fun and most helpful!

My husband, two kids and I don't travel a lot... I wish we did. What sometimes holds us back is that travelling with kids can be confusing, frustrating and difficult, if you don't have the RIGHT information. "Victoria with Kids" has the right information for our needs. It's a good mix of what our kids will enjoy, and what we, as parents will enjoy. As they say, if momma isn't happy, no one is happy :)Written by someone who actually lives in Victoria, the author knows the in's and out's of this city, and how to take advantage of what Victoria has to offer, which is a lot. Having this book on a kindle, as an easy to access, quick to peruse option, makes so much sense. When you travel with kids, there is so much to bring, that an e-version of this book is perfect. Having said that, for anyone without a kindle, have a printed copy that you can just toss in your rental car (or in the side pocket of your diaper bag!) would also be so handy.Thumbs up to making life (and travel) simpler!

I am a new mom who lives in Victoria. My mom bought this book for me because the cover is so cute, but low and behold, I am quite happy with what is inside. There is all sorts of sensible information, like playgroups and medical centers...and beaches and nature walks. I love how it is grouped by neighborhood- it makes it super easy to plan my day- and to figure out where to go and what to do.
