My husband bought this as a gift for my brother-in-law because he (my husband) really loves this book so much. It is one of those short readings, one a day type of books. However, it is solid in its teaching. It utilizes scripture which is very important to my husband. He reads his one page every morning even if he doesn't have time for his full devotion. He has really appreciated many of the topics/scripture and has found this to be a cut above all the other one a day devotionals he has found before for men. It is not a substitute for time in the Word as it is just one small page and is not a deep theological study by any means. However, he has read through this book more than once and would recommend it to any guy (not just young men either, it is appropriate for any age).

You will probably want the book version. This is only one short passage everyday. Although the insight is great and the inspiration remains valuable

This is a very nice daily devotional book! It has short devos that include some Scripture and prayers and good advice!!! It is by the same authors that wrote Every Man's Battle!!! We are thankful to Jesus for this book!!!

Very informative reading for all men single or married black or white. A great guide of the consequences of adultery or sexually immoral unfaithful to your wife/girlfriend because lust desires which most

men/and women suffer from this book is directly at man. to seek understanding of God Almighty high moral standand regarding adultry which God frowns on in this world we are bombarded with media t.v. images of scantily clad women selling fast cars drinks ect the book contains a daily wisdom of every monuth concluding on the 12 mounth. highly recomemened.

This book provides 365 daily readings relevant to all men. It reminds us of God's plan for our lives and how we need to turn to God for the strength to be men worthy of the name. If you desire to be a better man, a better father, a better husband, this book is filled with suggestions and challenges to help attain that goal. It only takes a minute or two each day to read and is well worth the time invested.

This is a great devotional for men who are seeking a way to overcome all the pent up sexual desires and be closer to their wives and God. A bit redundant at times, but still a good stimulant for your spiritual thinking. As others have poster, it is made up of excerpts from the other books of this series.

I bought this book on a reccomendation from a fellow brother in Christ. It's early in review, but I'm liking it so far.

Got this for my husband for his birthday. It's looks really good.
