Jesus, Muhammad And The Goddess

Synopsis

More than 35 International contributors reflect on finding Goddess within (and without) Christianity and Islam. "By altering tradition -- and amending the translation from the (now) traditional "He" to "She" -- does the collective consciousness of the Ummah shift? Do we authentically reclaim The Divine Feminine inside Allah that was acknowledged 1400 years ago? Do we eliminate the neo-patriarchal paradigm that infects the Islam of our "modern" era?" -Shahla Khan Salter

Trista Hendren is the author of The Girl God series. You can read more about her projects at www.thegirlgod.com.

A lovely anthology of stories, papers, poems & narratives on the Sacred Feminine found at the heart of the two most well known monotheistic traditions in the world today: Christianity and Islam, via

Gnosticism and Sufism. Informative, provocative--and absolutely amazing!

This is the third book I've read by this author. Like the others, this is uplifting, encouraging and educational. It makes me think and question my beliefs, but in such a way that isn't overbearing, condescending or pushy. It is simply sharing other viewpoints. This is absolutely a must read. It harkened back to volumes by Carol P. Christ, et. al., but with a more palatable and more modern tone.

Interesting book.

“I find that the longer I live the messier things become and the less I am able to fit myself neatly within one small box.” Written by Trista Hendren, one of the originators and authors of this outstanding collection, this same sentiment could be said to apply to each of the 35 contributors as they search for spiritual sanity outside the confines of the traditional patriarchal religions. In poetry, prose, and even dramatic play form each author, in their own unique way, articulates the desperate global need for the return of the divine feminine in all of our lives, a return that seems to be more and more impossible if one's choice is to stay within one small box. For those that are on this path, this book should provide validation, inspiration and challenge. And for those that aren't on this path yet| JESUS, MUHAMMAD, and the GODDESS could provide both an eye-opening and life-changing experience.
