Success On The Middle Level SSAT: A Complete Course

Synopsis

Please note - A newer edition of this book is now available, published in August 2017. You can find it easily by searching for either 978-1680590005 (the ISBN #) or 1680590006 (the ASIN #). This book provides a complete course for preparing for the Middle Level SSAT. Instruction is comprehensive for both the strategies and content that students need to ace the Middle Level SSAT. Success on the Middle Level SSAT includes vocabulary lessons that ask students to categorize words and derive meanings from roots so that they can handle anything on test day. This book also includes math content lessons that explain what concepts will be tested, as well as how these concepts will look on the actual SSAT. In addition, there is a very detailed section that provides strategies and drills for the reading section of the test. As a bonus, there is also advice for the unscored writing sample that students will have to produce on test day. Whether you are a family looking for a book to use independently or a school or tutoring company looking for a new text, this is the book for you.

Christa Abbott has been a private test prep tutor for more than a decade, helping her students gain admission to some of the top independent schools in the country. She has now used that experience to develop materials that help students prepare for independent school admissions tests. The approaches used in these books are based on the latest research about how students learn, so that preparation can be an effective and efficient use of time. These materials are also

written to be developmentally appropriate for the ages of the students taking the tests. Christa is a graduate of Middlebury College and received her Masters in Education from the University of Virginia, a program nationally recognized for its excellence. She resides in Arlington, VA with her husband and three children. Christa continues to coach students one-on-one in the Washington, D.C., area as well as students all over the world via the internet.

Perfect

Useful. User friendly

seems to be on the money with information

Excellent!

This was a gift for a friend. They really feel it helped for preparation.

Great res source.

It is mostly for reading for teachers of parents. Has almost nothing for practice which is what the students really need. There are much better books available for this purpose than this one.

My son like it
