I am pastor and bought these books for our Church so we can teach as we read them. After a couple of chapters we found several chapters upside down and even some chapters missing. I hope this doesn't happen to everyone..

The book was purchased as a companion to "The 40 days of Love" to be used in an adult discipleship class. We offered it as optional reading and have made the purchase of the book as minimal as we are able. This was accomplished by buying used book in "very good" condition. We have purchased a total of 18 books to date. I have enjoyed reading the chapters and since they are short, it can be done over an extended period of time

Wonderful book on how to love people like our Lord Jesus did.

This is an outstanding book. It is easy and interesting to read. Easy to understand and apply to self. Relationships are everything.

A great help. Just finished a study using it as a guide. Another member of the group is setting up a new study for those who were not able to attend the one just finished. Has been a rewarding study. Would recommend it to anyone.

When I heard that a group from our church was going to be reading this book, I purchased a copy and my husband and I joined them in the adventure. We have seen God moving and healing a number of our relationships during the time we have been studying and applying the principles discussed in the book. It has been a wonderful time of learning and sharing. I would highly recommend this powerful resource, especially for small groups, to learn how to relate to others the way Jesus does. Easy to read and comprehend, but very thought-provoking and conversation-inspiring.

Didn't have the opportunity to read with others but plan to read over and over, hopefully with another person. Shared with my pastor the idea of reading this as a church project

We had this book as a Bible study, which was excellent. I am on my second read through and I know I will read it again. There is so much good information in this book with daily reminders and wisdom for living a Jesus filled life of loving others and service.
