# The Power Of Positive Thinking: A Practical Guide To Mastering The Problems Of Everyday Living

## Synopsis

The phenomenal and inspiring bestseller by the father of positive thinking. THE POWER OF POSITIVE THINKING is a practical, direct-action application of spiritual techniques to overcome defeat and win confidence, success and joy. Norman Vincent Peale, the father of positive thinking and one of the most widely read inspirational writers of all time, shares his famous formula of faith and optimism which millions of people have taken as their own simple and effective philosophy of living. His gentle guidance helps to eliminate defeatist attitudes, to know the power you possess and to make the best of your life. --This text refers to an out of print or unavailable edition of this title.

## Customer Reviews

In the process of reading this. Many inspirational and excellent ideas. Uplifting and powerful message. I highly recommend all of Dr. Norman Vincent Peale's books.

I felt like the book kept repeating itself on many of the topics.

Bought for my daughter. I like the book and the teachings

powerful. cleanly written - to the point, that said read beyond the 'stories'

Fantastic read, highly recommend! The negative reviews on here seem to be mostly people turned off by Christianity

Very good information! A little bit of "God talk", but not overwhelming. Perfect way to look at life & attitude esp. for oldsters. My Mother read this many years ago, in the 1950's, it helped her tremendously! She kept a good attitude into her 90's.

Everyone in the world should read this book!

This has a great deal to offer its readers.
