Synopsis

#1 INTERNATIONAL HOT NEW RELEASE#1 INTERNATIONAL BEST SELLERTwo BRAND NEW CHRISTMAS STORIESClean & Wholesome Romanceby #1 International Bestselling Authors. There's something so special about a Christmas Kiss. And when it's your first? Never underestimate the power of that kiss! THE PRICKLY CHRISTMAS KISS by #1 International Bestselling Author Allyson R. Abbott Emma Louise Fallon, aka Elf, has two wishes for Christmas. Having spent the last few months bragging about her latest boyfriend, who's turned out to be a womanizing cheat, one, she needs to escape her well-meaning family, and, two, she needs to avoid all men while she's in a man-hating mode. But stranded alone in a cold isolated cabin, when her girlfriend is forced to bail out on their vacation plans, Elf makes one more desperate wish: Can she please learn how to build a fire before she freezes to death? The solo rustic life is becoming all too much for her. She's convinced that a stray cat, who has decided to keep her company, has magical powers, that the local shop owners are secretly Mr. and Mrs. Claus, and nothing can stop her from laughing when the hot local Martian -come cop - come veterinarian - introduces himself as Rudi. Will Elf need to break her rule about staying away from men, and rely on this hunk for helping her start a fire? Or, worse, yet, will she be able to control the fire that Rudi's ignited in her? TWO HEARTS' CHRISTMAS WISH (TWO HEARTS WOUNDED WARRIOR ROMANCE BOOK 4) by Multi Award-Winning, #1 International Bestselling Author Tamara Ferguson Seventeen-year-old Jason Matthews made a wish when he'd shared a kiss with Katherine Conlin under the mistletoe at Dragonfly Pointe fourteen years ago. Now an Air Force Captain and wounded warrior, he awakens in the hospital in Germany where his dreams have been invaded by the girl from his past. Once he returns home to the states, he finds out approaching Kat might be a little more difficult than he'd thought since she's been in a long term relationship for nearly two years. But another year later, when Jason discovers she's on her way to the Dragonfly Pointe Inn for the Christmas holidays without her boyfriend, he seizes the opportunity to be reacquainted. Kat had been expecting a proposal this Christmas, and when her boyfriend backs out yet again on the carefully laid plans she's made for them, she realizes she probably wouldn't be happy with him anyway. Kat has often wondered what happened to Jason Matthews, the boy she'd made a wish with years ago, and the last thing she expects is to run into him again at the Dragonfly Pointe Inn. Will there still be that special Christmas magic between them to make those long ago wishes come true? Tamara Ferguson: Two Hearts' Christmas Wish is Tamara's 4th Wounded Warrior Romance. Customer Reviews

Because the previous stories in this series have all won Readers' Favorite Book Awards, including the 2016 Silver Medal in Military Fiction, I was looking forward to reading Tamara Ferguson's latest wounded warrior romance. This story did not disappoint! In fact, I think with its lighthearted theme regarding family and friends and the love they share at Christmas time, it might be one of my all-time favorite stories written by the author. To me, a talented writer is someone who has the skill in transforming an obviously well researched topic, such as wounded warriors and the trials they face in rehabilitation, and turning this subject matter into a heartwarming

romance full of love, joy and hope. I can certainly see how this author has won her awards. And wow! What a stirring prologue - I can envision this scene in Iraq perfectly. Somehow, Luke finally managed to wedge the cockpit open, and when he reached inside to pull Zach out, Jason held back the burning cockpit door. He felt a blistering pain in his hand, but he was more concerned about what was happening inside the plane. Zach's flesh appeared to be on fire, and Jason did what he could to assist Luke with pulling Zach out while propping up the door. And later - Jason's vision unexpectedly went dim, as one of his men approached, and stared at him with apparent concern. "Sir, we need to get you over to the medics." It was then that Jason realized he was bleeding, and looked down at his left hand. What hand? He stared dumbly at the mangled, bloody mass of bones he'd used to prop open the cockpit door. And then his mind abruptly went blank, as he collapsed onto the ground. It's truly poignant when the author returns to the past to share the moment when Jason and Kat fell in love - Jason grinned. Kat looked so cute with her eyes closed and her head tipped upward, waiting for the kiss. He was a little nervous himself when he lightly laid his lips over hers. "Oh, that's so good." he whispered against her mouth, moments later, when she'd finally relaxed. Kat laughed softly, with her mouth still pressed against his. He couldn't understand it. Everything about her in his arms just felt so right. He'd been kissing girls for a pretty long time now, but what was it about this girl that made their kiss extraordinary? Kat was like magic, he decided, nuzzling his face against hers. He simply held her in his arms, because all he really wanted to do, deep down, was to be with her. If you're looking for exceptionally well-written military romance that's both stirring and emotional, as well as very romantic, I would highly recommend Tamara Ferguson's multi-award winning series. Two Hearts Christmas Wish is a beautiful 4th addition to the already 3 time Readers' Favorite Book Award Winning Series. A PRICKLY CHRISTMAS KISS This was an adorable romantic comedy. I enjoyed the Christmas twist with Elf and Rudi, with his big red nose, as well as the cute little cat named Sue, (named after the Johnny Cash song), who was nudging the romance along through the entire story, despite their continual bickering. This story definitely brought a smile to my face, and it's a delightful romance fitting for just about any age group.

Yes! This is the perfect romance book for a diehard romance reader - the writing is superb, the stories suck you in and don't let you go - and of course the happily ever after is dangling there at the end just as it should be in this genre (my lowly opinion of course). I had this one buried in my reading log for quite some time, and as I started reading was disappointed I hadn't read it early - if

you love military romance, romance or simply a well-written story that punches at your heart pick up this book today!

I couldn't finish this story because it was just too cute for words. Too many Christmas themed things, a talking cat, Santa and his wife running the store, a romantic interest named Rudy with a big red nose.....it was all too much for me.

I enjoy both authors! Love these characters, this series - Tamara Ferguson!

Love the connection through different times in history in the same city & houses! Heartwarming stories that all seem to make you cheer for the underdogs. The settings were just like their time periods & all had a touch of faith & hope & mistletoe. I appreciate all the authors have clean love stories.

Loved it!

I loved these stories! The authors make you feel like you are inside the story! I look forward to reading more from these authors!

Love this story with all the Christmas stuff in it. The names Rudi and ELF are so cute. The town North Poleston is fun also. Love the cat name Sue and the grocery shop owners. This was a fun story. Love all the adventures that they hot have at the cabin. Awesome story.
