# For Such A Time As This: Your Identity, Purpose, And Passion

## Synopsis

Just as the biblical Esther needed a year of beauty preparations with myrrh, oil, and sweet spices, a modern Esther needs preparation to fulfill her destiny. In this in-depth companion study to *For Such a Time as This*, young women from the ages of twelve to twenty-five follow Esther's example to shape their unique gifts and destinies in a way that will set them apart from the world. Interactive lessons equip them to develop character traits such as courage, chastity, grace, and dignity -- transforming them into mature women of God.

Wanted to find a Bible study that approached & explained the reason for abstinence & purity to my soon to be teenager as well as her friends. This book was able to open the door to a wonderful discussion with my child and five of her friends and their moms. We all enjoyed learning together and I enjoyed watching our Lord & Savior, Jesus Christ work mightily in their young hearts. I recommend this to anyone who wants to open that door of discussion with his or her child regarding the importance of respecting yourself and others by remaining pure, not only physically, but with their

minds, hearts, and souls.
