# Chillin In Negril: The Unofficial Negril Jamaica Travel And Party Guide (Twisted Travel Series)

## Synopsis

Chillin in Negril is the unofficial party and travel guide for lotus eaters and party animals of all stripes. Are you ready to make your way to Negril, Jamaica? where paradise awaits and strange adventures lurk behind every palm tree and Oceanside bar. Chillin in Negril is the travel guide to get you started in the right direction for that twisted vacation experience. Looking for some spicy island fun? Chillin in Negril will point you in the right direction with loads of tips on things like where and how to score without getting ripped off, where to go for the best beach side reggae, local food and space cakes. Places to stay, with a chapter on the worlds most fun party resort Hedonism 11 and the ins and out of staying there. Visit Booby Cay island and experience fantastic snorkeling while chomping on fresh grilled lobster. Rastafarians, beach hustlers, beautiful people and some of the most amazing folks in the world are waiting for you in Negril and the unofficial party guide is the only travel guide you need to find your way around this extra cool section of Jamaica. Party hotels, bargains and places to stay. Did you know mushroom tea is legal in Jamaica? Well it is and the Chillin guide will show you where to go to find the finest mind expanding mushroom products. Ganja tips and hints to keep you safe, happy, and higher than a lab rat! Chillin in Negril will take you to the western side of Negril to the cliffs and One Love Road, home to really hip bars, cliff diving, wildlife, caves, red stripe and some of the islands best Jerk shacks. Each chapter in Chillin in Negril is filled with useless tips that will make your stay in Negril an extra magical experience abounding with craziness and love. Are you wanting to let the wild child loose? If so Chillin in Negril, the Unofficial Party and Travel Guide is the only guide that will help you land in a hammock with a Dirty Banana in one hand, a big spliff in the other, under a palm tree on the beach while a reggae band is wails away into the night. So what are you waiting for? You could be in Jamaica tomorrow having the most fun the law does or does not allow. You could be Chillin in Negril!

## Customer Reviews

Having traveled to Negril before, I have a pretty good idea of what to expect on our next trip. Even so, I was curious to see what this guide might offer and for the price it was a no-brainer. I found some useful tips from an insider's perspective and a handful of new places to check out. There's a lot of coverage of hedonism 2, so if you're curious about those shenanigans this guide is for you. (I don't know if we'll be coughing up the cash for a day pass, but I am rather curious myself now.) This book lacks great photos and maps, so it's not that kind of guide, but there are plenty of websites and descriptions of places and various locations to generally point you in the right direction. I definitely feel more confident about my choice of accommodations now (I usually only stay on the West End -this time we'll be at Kuyaba) and feel better prepared overall for the Seven Mile experience. I also found the chapters on local eats to be helpful. I'm a vegetarian and sometimes have had difficulty finding diverse and inexpensive veggie meals on the West End, but this guide has definitely given me a few new places to add to the list. Yah, mon!

This is not a book written by a professional writer or travel agent. This is a real person writing about real experiences. The information is accurate and informative. It covers ALL the aspects of a trip to Jamaica. A very worthwhile read for anyone traveling to Negril!!

This is probably most useful if you are going to Jamaica primarily to get high and go to nightclubs. It's written in a "dude" sort of tone and the author obviously has spent a lot of time in Jamaica, it just wasn't that helpful for me--but I am old, so for younger types interested in the aforementioned weed and nightclubs, this might be the book for you.

This was great info! Told in an entertaining manner!

Let me start out with full disclosure. I have been lifelong friends with the author and fully understand his humor and way of being. George's sense of humor and attitude toward life are ever present in the pages of this book. He presents lots of useful information about how to hang, where to hang and have a fun, yet safe time in Negril and surrounding areas. He gives advice on everything from

booking your own flights and accommodations to how to haggle prices with the locals. Throughout the book he repeats the mantra of using common sense, respecting the locals, be safe and most importantly don't be a jerk. I would recommend this book to anyone who is planning a trip to Jamaica no matter their style of relaxation from mild to wild. If for no other reason, those folks planning a trip to Jamaica will find this book full of websites for hotels, resorts, cafes, restaurants, transport services and even the contact info for the embassy should you do something stupid. After reading this book, I am ready to grab my passport, pack my bag and chill on the beach.

I am a single older woman who traveled to Jamaica with another older woman. At no time did we feel threatened or at ease with our host country. Enjoyed so much with the people we felt like one with them. Ya mon we had a ball.

Good resource if ur looking for a laid-back time in Negril!

I had not considered such a trip to Jamaica but came across this book and now I find it a must do Bucket List item. GO!
