Really great tips and guidelines to follow if you want to improve how you write! The book itself is very well organized and even offers visuals in the form of various graphic organizers to help the reader along. It also contains some review test at the end of each chapter, which helps the reader practice and apply what they've just read for better retention of the material. Highly recommended!

Heard a lot about this book and it was totally worth 5 stars. The shipping was on time and the book look great! Love it

good brandnew book. Shipment was fast. But I think the price was pretty high.

Great condition! There are some writing by a pen and high light, but it doesn't matter for me. Thank you so much.

Very good item.

It's a really good book.

not bad

good~~
