Fantasia Adult Coloring Book: Of Fantasy & Mythology- Full Length Story Edition

Synopsis

Coloring book to delve your senses into a fantasy world, and emerge with a heightened imagination. "Fantasia" An Adult Coloring Book is highly detailed and is a coloring book not like any other you've seen! Now her FULL LENGTH STORY edition is available in paperback! This is a Beautifully illustrated fantasy coloring book, but it also features short stories written by her fans that were only previously seen in the spiral edition. All 20 designs are hand drawn If you like having a little bit of shading already there to guide you this is a great book to help create stunning realistically shaded art! Some of the characters are the traditional line art without shading for those that prefer that as well. There's really something for every colorist! Characters from Norse Mythology such as Odin and his mighty 8-legged steed Sleipnir...as well as other fantasy beasts such as dragons, angels, chimeras, harpies, gargoyles, and fauns. 20 characters in all!

Customer Reviews

"The sheer artistry and shading of these drawings in Fantasia An Adult Coloring Book are remarkable and outstanding. The range of colors and imagination that you could apply to these creatures from mythology is unlimited as you could make them anything you want them to be - you're not limited to a preconceived notion. Any lover of medieval fantasy would love to get their hands on this coloring book." -Reviewed by Lori A. Moore for Readers' Favorite

I hope to find a way to use my artistic talent to help preserve our planet... but in the mean time I just want to share my creativity with all of you. Fantasy has always had a special place in my heart so you will see that most of my pieces feature it in some way. The free range of thought and expression that fantasy gives is very appealing to me. It's a way to view our reality through the lens of a less restrictive glass. As far as my history goes... I have have possessed creativity and artistic talent for most of my life (ever since I could remember anyway). As a child I would compete in both local and national art contests and I am ever so thankful that my parents supported me like they did. I went to a magnet school (one where you had "majors" unlike most secondary schools in the US) for visual art during my middle school and high school years. There I met other young artists and honed my skills under the direction of my mentors.

I own the spiral edition of this book and loved it so much I thought I would buy this edition for family and friends for Christmas. The paper is medium weigh, so you'll likely want to put an extra piece of paper between the pages if you use pens. But each coloring page is single sided and the stories that accompany the coloring page are really unique. They helped me imagine what the characters should look like and made coloring them more fun! I'm learning how to shade so the light shading she has on some of the pages is really helpful, but the shading isn't too dark to make it hard to color over. A lot of grayscale books have too much gray so even though this isn't a grayscale book it has some shading on some of the pages, but it's mostly white and black.

Absolutely stunning pictures to color!!! Grayscale is perfect & so is the paper it's printed on. Can't wait to start, which I am right now :) Looking forward to posting some pics when I'm done...

I love this book amazing art. I love all of Casey Gilmore art she is amazing

This edition was great for gift giving during the holidays. It was one of my favorite gifts that I gave, paired with some colored pencils and you have a unique and very affordable gift!

total disapointment

Our whole family loved it! Our whole family had a coloring contest! Our daughter's loved the beautiful fantasy artwork and my husband and I really enjoyed all of the little details. Thick strong paper, a perfect gift for anyone who loves coloring and fantasy art!

This book is absolutely amazing in every way. The paper, the images, and can tell this wonderful artist has a lot of passion in what she does . Highly recommend this book !!

only 20 pictures, poor paper
