3-Word Stories Coloring Book: The Adult Coloring Book Of Colorist-Created 3-Word Stories (Three Word Stories Adult Coloring Books) (Volume 1)

Synopsis

The 3-Word Stories Coloring Book by Cynthia Van Edwards. This was a collaboration with the Cynthia Van Edwards Coloring Team and Cynthia Van Edwards, herself. From start to finish the members of the team all came together to help create this book and we really love it. One of the most enchanting, most innovative Coloring Book Designers in the world, Cynthia Van Edwards has done it again. In this incredible new Coloring book, the Three-Word Stories coloring book, we came together as a group and dreamed up with more than 30 funny, delicate, inspiring, heart-breaking and unique three word stories. Cynthia then put her little spin on it and what we have created is a wonderful book that lets us all celebrate the peaks and valleys of our lives. 3-Word Stories celebrates symmetry and texture as many of the designs are on textured surfaces and 3-dimensional plaques. We really think you'll enjoy this book and we look forward to seeing what you create! Now, let's see what you're made of! #3WordStoriesColoring Book This book has been a collaborative effort between artists, designers, and Colorists. This book not only soothes you, but also increases mental stimulation. The pictures and designs may seem random at first glance, but they're anything but. PLEASE: Take pictures of your finished coloring designs and post them to CYNTHIA VAN EDWARDS's Facebook page, add the hashtag #3WordStoriesColoringBook to your post. {Coloring, Colouring, Adult Coloring, coloring Books, coloring books for adults, Adult coloring books, coloring pencils, coloring markers, coloring for kids, kids coloring, coloring book groups, Cynthia Van Edwards, stress relief, coloring for relaxation, color to release your stress, series books, coloring book series}

Cynthia Van Edwards Born in Oklahoma, with fierce Comanche blood in her veins, Cynthia Van Edwards spent hours and hours as a young girl riding horses and drawing. She found herself guiding towards arts programs and psychology in college, attending Northwestern University, where she graduated with honors. She began a career that started in counseling for children that were having learning issues in school. She eventually began working with adults who were suffering attention deficit issues and began thinking of ways to inspire people through artwork. Cynthia had special help from her very special Facebook Coloring Team. (Cynthia Van Edwards Secret Coloring Team) which you're all invited to be a part of. This book, in fact, could not have been done without the constant help and support of the team! (And Special Thanks to Leah Crowe who colored the cover!)

I LOVE LOVE this coloring book and the Artist! She does a wonderful job on all her books. In this book she got some of her costumes involved which I think is awesome!! I can honestly say I am part of this book and I couldn't be more proud! Thank you for everything you do!

I love this book, each 3 word story is a huge story in 3 words. My 3 word story was printed on pg 9. Hey. Quick. Catch. I cringe when I hear someone say those 3 words. Anyways, here's my page

This is an awesome coloring book that I am proud to be a part of. I had one of my 3 word stories chosen to be a part of this book. As always Cynthia Van Edwards put out another great book. This has been fun to color so far. I have a hard time putting it down once I start on a picture. I definitely recommend this coloring book to add to your collection.

I just recently got this in the mail and. Love it. Can't wait to color in it.

I received some advance copies of pages from this book as I am on Cynthia's coloring team. This is probably (in my opinion) one of the BEST books Cynthia has done this far. Each page has a beautiful design with a "3 Word Story" by different members of the team plus that team members name is on the page of their "3 Word Story". Some stories are funny, some motivational, and some

hold a "deep meaning" to the team member. There is a 3 Word Story in this book that everyone can relate to in some way. Not to mention the images are BEAUTIFUL! This is a must have in your adult coloring book collection and if you are a Cynthia Van Edward's fan! I'd give it 10 stars if I could!!

I have had access to a couple of the pages ahead of the release and they are quite amazing. Pages of every skill level are available inside and really speak to you on a subconscious level. I got lost coloring the cover page, which led me to a happy place. I know if you grab this book, it will be special and bring joy to you too.

This book is like none other that I have. I even had a dream about how to color it. It's going to be an interesting adventure. If you are unsure about shadows, this book can teach you a lot. I was on facebook when they were gathering the words for this story book. They really care about the people who are coloring the art that was created. Grab a copy and add your own splash of color!

LOVE LOVE LOVE this book!!! It's so awesome how there are contributors to this book that helped and are accredited for their work on their own page!!! Did I say I love this book?!?!?
