# Chaos Packed To The Ends Of The Earth: Adventures In Australia And New Zealand

## Synopsis

This was supposed to be plain simple. She had put her 9-5 on hold and taken a flight to the other end of the world. A one-way ticket into uncertainty and adventure in Australia and New Zealand. A working holiday year couldn't be so hard, could it? But where the sun burns a hole into the atmosphere and even grass can be vicious, you better be careful - in particular if you are a klutz...Chaos Packed describes the travel adventures of travel blogger Annemarie Strehl in her quest of pushing herself and constantly learning about the wonderful world we live in. Her most current stories can be found on her blog [www.travelonthebrain.net](http://www.travelonthebrain.net), where she also shares her ample travel hacks for staying on the road this long. After all, practice makes perfect and travel is never as expensive as is often expected. The memories, however, are priceless.
