Gayle Forman is an award-winning, internationally bestselling author and journalist. She is the author of *Just One Day* and *Just One Year*, and the companion e-novella *Just One Night*, as well as the New York Times bestsellers *If I Stay* and *Where She Went*. She lives in Brooklyn, New York, with her husband and daughters.

This is such a wonderful collection. I loved all of these books. I love how "just one year" ended, but am also so happy that Gayle wrote the novella for "just one night". This is one of my favorite collections to date. There were quite a few concepts in these books that hit such a soft spot for me. 100% worth the buy. I could not put them down. I read "Just one year" and the novella in one day.

Have read all of these books and just adore them! I bought the box set because I collect Gayle Forman's books and wanted the paperbacks and also to get the novella -- *Just One Night* -- for the first time in print! The packaging is lovely as well.

I love this series. I love it so much that when I thought I lost a set (I'd loaned it to a friend) I ended up buying another... But at least this time I got the novella to go with it!) It was just so relatable. I guess that's the best way to describe without giving anything away...

I am almost finished with *Just One Year*. I love the story and I am not ready for it to be over. I am very interested in reading more from Gayle Forman. I read *If I Stay* and *Where She Went* a few years back and I absolutely loved those as well, so I am definitely not surprised that I love this collection. I would recommend this collection.

I love this book series so much! Gayle Forman knows how to write a good romance! Loved Allyson and Willem's stories. Also the different perspectives are super cool. Would recommend to anyone who loves traveling and romance.

Must read!!! The third book is a teaser but it's a beautiful story

Bought this for my daughter. she loves it

So awesome. Great addition to my collection.
