Eyewitness Travel Guide To Washington, DC (Eyewitness Travel Guides)

Synopsis

The guide that shows you what other travel books only tell you! With excellent museums, plenty of green spaces and fabulous public transportation, Washington is the perfect destination for families. With more than 700 full-color photographs, unique cutaways and floor plans, DK's Eyewitness Travel Guide: Washington, DC has all you'll ever need to know about the District of Columbia. The guide details Washington thriving theatre scene, amazing museums, and a complete listing of hotels, restaurants and entertainment venues. Included are day-trips within easy reach of the city to nearby colonial towns of Williamsburg, Alexandria, Antietam, and Gettysburg. Whether going to see the National Cathedral, the White House, the Smithsonian, or the National Gallery of Art -- this is the only guide you will ever need!

Customer Reviews

...considered to be the world's best travel resource to over 30 destinations around the world, make it easier to plan a splendid vacation. -- North American Press Syndication Both novice and experienced travelers will be captivated. -- U.S. News & World Report Each book is a visual as well as informational feast about a particular place. -- The New York Times Encyclopedic in scope, it's meant to be used before, during, and after your stay. -- Travel & Leisure The best travel guides ever. -- Sky Magazine The most graphically exciting and visually pleasing series on the market. -- Chicago Tribune This is a guidebook series that always seems to inspire smiles... You feel, looking at them, as if you could close the book and step into the street. -- Contra Costa Times With titles covering Paris, Prague, and London, these pocket-sized guides are like a Michelangelo fresco:

deliriously rich in detail. -- People Magazine

Good help

Son was happy with it, thank you.

A must

My son chose this book for researching our trip to DC. So far it is the usual great quality of information from DK Publishing. So many small maps, pictures with facts and great reading information. These are great for kids and adults. Thanks DK Publishing! ...We did take the trip to DC and found that this book was easy to carry with us and had ton of very valuable information. This was that best book for Washington DC. We got it for our son but we ended up using it alot!!!

This is a nice compact guide with many great photos. It is organized quite nicely and is a great help in finding your way around Washington DC. Unfortunately, this book has not been updated since 9/11, and contains a great deal of out dated material. The book does have a sticker on it saying it is being continually updated, but the version currently being shipped is not up-to-date. When using this guide make sure you call ahead for visiting any government agency, building or office.

While I find the DK/Eyewitness travel guides excellent for European cities, the new one on Washington, DC doesn't live up to the usual standard. I live and work in DC, and know the city and its attractions very well. There were several inaccuracies in the book; most glaring was the misinformation about the Portrait Gallery and National Museum of American Art. These museums are currently closed for a 3-4 year renovation project, but you'll find that according to the DK guide, they're open for business! Hopefully, revised editions will correct such errors, and expand the scope of the book into some of DC's wonderful neighborhoods (Cleveland Park, Shaw, Brookland) that weren't covered in this first edition.

I'm a big fan of Eyewitness Guides. Not a lot of fluff, just short and to the point reviews with great photography. I particularly like the building cut aways allowing you to see inside, as well as the "Star Sights" pinpointing the must-see spots in a particular building--great if you need to get in and out in a short time. Metro and city maps are also quite good.

Great book for people that not only want to get around through the city, but also to learn about the history behind every major monument. The book is packed with useful information and great drawings and pictures. Perfect guide book for anyone that wants to explore the capital.
