A lifelong North Carolinian, a dedicated auto-racing enthusiast, and a vocal animal welfare advocate, she lives with her husband and son in Denver, N.C. She looks forward to one day retiring to a comfortable beach chair in Key West.

Excellent book for any shark tooth lover, from the beginner to the professional. The text is highly accessible and filled with anecdotes and bits of trivia. The book covers how to look for shark teeth, where along the Carolina coast to look and what you might find there, an identification guide, and plenty of other useful information. Highly recommended.
