It Takes All Kinds: The People Places And Events That Make Pro Wrestling

Synopsis

A collection of stories from Beau James about The People, Places, and Events that make up Pro Wrestling. Beau has been involved with wrestling since he was 14 years old. He has seen just about everything you could imagine and somethings you could not in your wildest imagination. Take a trip through a quarter of a century of an ever changing yet never dull life as a pro wrestler.

Customer Reviews

This book "IT TAKES ALL KINDS" is a AWESOME!! follow up to Beau's first book. I enjoyed his first book from cover to cover but I think this book is just as good if not better. As the first book gives you his background and early life before wrestling and his start into the business, this book is pretty much from page one all about his life on the road and the good and bad that comes with it. He tells truthful honest stories about wrestlers, promoters, fans that become friends and most importantly people who call themselves wrestler but only in name. Beau James knows his stuff and this goes into details of his knowledge of the business and the people and the classic places legends have wrestled. It's a easy read got it done in few hours and I highly recommend it. Whether you cheered

Beau James booed Beau James hated Beau James or loved Beau James there's one thing all can agree on Beau James knows wrestling in all aspects of the business. So get this book you won't be sorry.

Beau is a veteran in the wrestling business & has some great stories to tell. This is a great read without a doubt.

I recommend this book to all wrestling fans and people looking to get into wrestling. Beau helped me when he didn't have to and I am forever grateful. Young wrestlers can learn a lot from him, I know I did.

"It Takes All Kinds" by Beau James is another MUST READ ! Talk about Old School Wrestling, I'm glad Beau is in the business and is sharing these stories. Beau's first book "Do You Wanna Be A Wrestler, Kid ?" had good inside information, so does "It Takes All Kinds". Beau James respects those that came before him, this is well documented in both books, just wait till you read what Beau and McKeever found in the basement at Memorial Hall in Kansas City, and what they were going to do with it...You get to know Wrestlers better and hear some good stories about friends in the business like in Chapter 7...I said this after the first book and now again, If you wanted to be a Wrestler growing up but it just didn't work out, read these books and you will know what you missed...Beau James is a Wrestler !---A.Mayberry

Excellent book with great road stories highly the recommend. It's like sitting under the learning tree in the locker room with a veteran.

Mr. James strikes again.. Another great book.. Inspirational, humorous, and honest..
