Customer Reviews

Book is divided into three sections: The Competition Day, The Season, The Dancer's Career.

It's a great workbook for the competitive dancer. Applies well researched principles. Goes into how to create good habits to reduce stress and how to plan to reach your best! Already reading his next book, which references this one. Worth the price as it's many coaching lessons at your fingertips!

I have not read this book yet but talked to coaches and dancers who read it. They all seemed to like it and highly recommended it. I was looking at to buy it but they don't have this in stock.. Unfortunate..
